Matters of Community Concern

- Building program update – we edge ever closer to completion. At this stage we will be in the new permanent building before the end of term and aim for a P&C tour on May Day, the date of the next P&C meeting. The transportable building will have staff in it by the beginning of Term 2. This is later than expected and follows contractual obligation wrangling.
- The School Plan for 2018 to 2020 is close to being finalised. Presentation to the P&C.
- The Annual School Report (ASR) is in the process of being finalised. The plan was discussed. Thanks in advance to Brett Clements for his work on this document.
- International Women's day assemblies were enormously successful with wonderful guest speakers.
- Year 6 into 7 night was hugely successful. P&C catering was greatly appreciated.
- CESE and languages publication.

Curriculum and Administration

- CTHS students performed well at the recent zone swimming carnival with quite a few students progressing to the regional carnival.
- Cross Country tomorrow. Thanks, in advance to the community for strong support.
- Year 12 students will commence their AP3 exams next week. This can be a trying time but it is important to support the students and help them build resilience before the final exams.
- The position of HT Stage 5 has been being determined. The successful applicant was Gary Monahan. My thanks to Helen Wrench for participating in this panel.
The position of HT Science teacher will, hopefully, be filled in the near future, applications close tomorrow.
