CHERRYBROOK TECHNOLOGY HIGH SCHOOL

Term 1

Week 5A

28 February 2014

## DEPUTY PRINCIPAL'S REPORT

### Year 7 Camp

Over 270 Year 7 students, 18 members of staff and our Year 11 Peer Support Leaders spent three days this week at the annual Year 7 Camp which was held at the Narrabeen Academy of Sport. All participants agree that it was a most successful camp, with the Year 7s enjoying the variety of activities, as well as developing strong friendship bonds and forming many new friendships. Congratulations to all Year 7 students for their cooperation and participation, and many thanks to the staff and Year 11 students for their leadership and support.

### Zone Swimming

Yet again Cherrybrook Technology High School has achieved the status of Zone Swimming Champion school, defeating the second place winner, Killara High School, by five points. Congratulations to all our students who participated in the Zone Carnival which was held at Homebush Aquatic Centre on Monday.

### Open Night

Tuesday 4 March is the annual CTHS Open Night, which will run from 6.00pm until 8.00pm. On this evening parents and students from Year 6 who live in the local area are encouraged to take advantage of this opportunity to have a guided tour of the school facilities and to hear from key members of staff about the operation of the largest Government school in NSW. Please note that students who do not reside within the school's designated drawing area will have very little chance of gaining enrolment at this school. A map of the drawing area can be found on the CTHS website.

### Year 11 Interim Reports

Parents of Year 11 will receive by email the Year 11 Interim Report on Friday 7 March. This report provides an early indication to students and their parents about progress so far in Year 11. Stage 6 can be a different learning environment for many students. Not only is there a large amount of content to be covered over the two years in preparation for the HSC exams, but the relationship between student and teacher becomes much more of a collaboration with both working towards a common goal of maximising students' results at the end of Year 12. Most students in Years 11 and 12 will develop their own personal independent learning skills, as well as working cooperatively with their peers in order to ensure the group performs to their potential.

Parents with concerns about their son/daughter's progress in Year 11 should contact the Head Teacher Stage 6, Mrs Navarro. Anyone who does not receive the interim report is asked to contact the school and confirm their email address is correct.

### Years 11 and 12 Medical Claims

All students in Years 11 and 12 need to be aware that a new procedure has been implemented this year for the processing of Illness Claims for assessment tasks. Any student who is ill when an assessment task is on will need to provide the CTHS Medical Claim Form to a doctor and submit that completed form to the school in order to have the claim considered. An example of the form is included in this Newsletter and it is also available on the CTHS website.

### Year 12 Jerseys

As has been the tradition for many years at this school, students in Year 12 have been issued with their jerseys this week. All students are very excited with this new addition to their uniform and they are looking forward to the cooler months in order to wear the jersey more often. Please note: jerseys are an addition to the school uniform, not a replacement. All senior students must still be attired in a white shirt and red tie when they choose to wear their jersey.

## Uniform

The new school jacket which has been supplied by Canterbury Sport Wear is finally available. At the assembly last Tuesday, students were treated to a fashion parade which revealed the jacket to the school. The unveiling was met with overwhelming approval by the students. It now can be purchased online via the school website. It can be found under the 'Information' tab, go to the 'Uniform' section. The school web link is as follows:

<http://www.cherrybrok-h.schools.nsw.edu.au/>

To get an idea of what size is needed by students, they can come to E2.3 during the second half of lunch any day next week to try on a jacket.

## Cross Country

The annual CTHS Cross Country will be held on Wednesday 5 March. This event involves all students in the school with each Stage group competing at a different time of the day at Fagan Park in Galston. Years 7 and 8 attend in periods 3 and 4, Years 9 and 10 will go in periods 1 and 2, Years 11 and 12 will participate during periods 5 and 6. Students are reminded to bring sun protection and water together with books and materials for the remaining lessons of the day. Sports uniform may be worn all day.

## Carparks

Parents are requested **NOT** to drive into the school carparks between the hours of 7am - 9am and 2:30pm - 4pm. Please adhere to these exclusion times for the safety of staff and students. Please note the bus bay is also **NOT** a drop off or pick up zone.

## Congratulations to...

- Alyssa Hutchings, Year 11, who is a member of the Sydney North Softball team. The team competed in the CHS tournament in Tamworth recently and were undefeated.

Mr Summerhayes

Year 7 camp

### Year 7 Camp

The Year 7 camp at Narrabeen was an outstanding success this year. Our Year 11 Peer Support Leaders are to be commended for their commitment to the anti-bullying and peer support programs while forging a strong bond with the Year 7 students. The students spent time abseiling, rock climbing, canoeing, participating in initiative games and actively contributing to the Rock and Water Resilience Program run by Mr Hartman, Miss Wilson and Mrs Henry. I would like to thank all of the staff who gave up their time to attend camp, their support and enthusiasm made this a thoroughly enjoyable event. Thank you also to Mrs Lane and Mr Keating for their organisation of this event, the months of planning and preparation certainly paid off.

Mr Hind, Head Teacher Welfare

### CREATIVELY SPRUIKING

**STOP PRESS - Cassie Barberis-Leon Takes the Lion's Share in this year's CTHS Musical *The Wiz* which will have the audience roaring for more!!!**

As the old saying goes, "there are those who are born great and then there are those who have greatness thrust upon them". **Great** and Cassandra Barberis-Leon belong naturally in the same sentence. A born performer who delights in the experience of basking in the dazzling glare of centre stage, this courageous individual has offered the following tasty morsels as appetizers for a show that promises to satisfy even the most discerning of palates.

Cassie comments "The role of the cowardly lion is really out of my comfort zone because I don't really like playing submissive characters! But it's been really rewarding as I'm using lots of new drama skills. It's a stretch to be playing a role that is so much against my type. I definitely haven't been typecast!"

Cassie is just one of the stand out performers amidst the blazingly superb cast that has been assembled for this tremendous theatrical event set to take CTHS campus by storm in early June.

"The whole cast have been working really hard" Cassie continues " with two hour rehearsals twice a week after school which have followed on from the rehearsals that took place during the last holidays. With so much effort and dedication going into this production, it will be a fantastic show!"

Continue to watch this space for further updates as well as interviews with cast members.

Ms Cannon

### Hillsbus Proposal

One of our parents has taken the initiative to approach Hillsbus with the prospect of putting on another bus from Edward Bennett Drive via Neale Ave, John Road, County Drive, New Line Road and Purchase Road, to Cherrybrook Technology High School. Hillsbus have agreed to consider this proposal provided we obtain enough interest.

If you live along this route, or in the general vicinity, and would be interested in your child catching a bus to and from school, please contact Sandra Finlay.

## WEEKLY SPORTS REPORT

### Cross Country Carnival

The school cross country carnival will be held at Fagan Park, Galston on Wednesday 5 March 2014. Permission notes have been distributed during roll call and all students are encouraged to return note and money by Monday 3 March 2014. Once again students will be separated in stage groups to compete each race. This year the organisation is as follows:

Years	Periods
7 & 8	3 & 4
9 & 10	1 & 2
11 & 12	5 & 6

A reminder that full PE uniform can be worn all day and that students are to bring equipment for a normal school day for the periods they are not competing. The cross country is a compulsory part of the sport curriculum and all students present are expected to participate in the carnival. Full participation should lead to CTHS obtaining the strongest team to compete at zone level later this term.

Mr Monahan and Mr Fitzgerald

## CAREERS UPDATE

### Work Experience FAQs

*Is there a specific time frame within which the work experience is to be completed?* Year 10 students can do two weeks anytime during the year, excluding school holidays.

*How many different work experiences can a student do? Is there a limit?* Two weeks at different workplaces.

*Does each experience have to be for at least one week or can it be for a shorter duration?* It can be for two days or as many days as are appropriate - the same paperwork is required for each.

*Does the school help organise these by getting in touch with companies or is it up to the student and parents to organise?* I have past employer contact details, but I do not call the employer unless it is a coordinated placement, like at a hospital. Generally, it is the student and parent responsibility to find the employer, just like getting a real job. I am happy to assist students with possible employers. Students can see me at lunchtime to go through the past employer files that I have. However, usually the best placements are found by parents who have friends in those career areas.

*Does a teacher accompany the students to the workplace?* No, I arrange everything but the student has to find their own way.

*What happens if a student is unable to find an organisation willing to offer work experience?* It is not mandatory to do work experience, so if a placement is not found, the student misses that experience. It can be done in Year 11.

### Work Experience with Fire and Rescue NSW

Work Experience at Fire and Rescue NSW provides school students in Years 10 to 12 the opportunity to develop industry-specific and generic work skills in an authentic work environment at the State Training College, Alexandria. The practical program covers the roles of Fire and Rescue NSW and its firefighters. Through this program, school students gain insight into the organisation and develop employment related skills to enhance their vocational education. The program is offered weekly during school terms.

Contact the work experience coordinator on: [workexperience@fire.nsw.gov.au](mailto:workexperience@fire.nsw.gov.au), (02) 9318 4876 or 0408 220 656.

<http://www.fire.nsw.gov.au/>

### Rotary Youth Exchange

Rotary Youth Exchange provides the opportunity for students at the end of Year 10 to experience life overseas as part of their academic studies. Students are hosted in homes and go to school for a full year. All Year 10 students heard a presentation from two CTHS returning students last week, and we currently have one Rotary Exchange student, Vilde Sollien, in Year 12 at CTHS. See Mrs Ferguson for details or call Alison Bowland on 0438 212 506.
