Term 3

Week 3A

1 August 2014

DEPUTY PRINCIPAL'S REPORT

Cybersmart

One issue which concerns many parents is that of cyber safety. At CTHS we are very aware of the dangers and try to address the issues of digital citizenship and online safety through computing skills and welfare programs. It is essential students recognise the importance of protecting their private information and the value of taking responsibility for themselves and their actions.

I would like to make parents aware of an excellent website which has been developed to aid your understanding regarding the issues of cyber safety. There is a ten page parents' guide which covers topics such as cyberbullying, sexting, social networking and mobile phone safety. If you are struggling to understand the new digital world, I highly recommend it. <http://www.cybersmart.gov.au/>

Senior Executive Planning Morning

A very productive morning was held on Tuesday by the Senior Executive. Reviewing the roles and responsibilities of the Deputies and Head Teachers was first on the agenda targeting the changing needs of the school. Planning was also done for the upcoming Executive Conference and the new DEC 5P Planning Tool, which all schools will be expected to implement in 2016, was deliberated.

HSC Drama Performance Night

On Wednesday the Year 12 drama class presented their projects and performances to an appreciative audience. Performances were excellent leaving the audience commenting on their depth of understanding on complex and sensitive issues. This was clearly shown in the performance highlighting female stereotypes and the place of women in society. Some performances were very real and genuinely moved the audience. Others were cleverly comical and thoroughly entertaining, causing much of the audience to laugh out loud! Individual projects, such as costume design, were also on display. People examined and admired the effort and skill invested in their compilation. Two videos were also shown, which were both clever narratives and thoroughly entertaining.

Congratulations to Ms Cannon who has supported and guided these students through to the HSC.

Year 11 Study Skills

On Friday, all students in Year 11 were involved in a Study Skills Seminar run by Elevate Education. These seminars have been an annual feature on the school calendar for many years and have proven to be a valuable aid to all senior students in preparation for their HSC examinations. Thank you to Ms Parsons, Head Teacher Teaching and Learning, for her organisation of these seminars.

AP4 Exams

The Year 12 Trial HSC will commence on Monday 4 August. Students should be studying hard as these tests will provide them with an opportunity to experience exams similar to the HSC in Term 4.

If a student cannot attend the Trial HSC exams for any reason, they must contact the school on the day of the exam and complete the necessary paperwork regarding their absence. If you have any queries Mrs Navarro, HT Stage 6, or Mr Bamford, HT Admin, are the people to speak to regarding these issues.

ILM Society of North West Sydney

Many thanks to the ILM Society of North West Sydney for their generous donation of \$1,000 to the school. The money will be used to contribute to the cost of the electronic sign which has been ordered for the front of the school. This group uses our facilities during the Ramadan period. They have also donated \$250 to the staff social club for the end of year function.

Orchid displays in the front foyer

CREATIVELY SPEAKING

Our annual HSC Drama Performance Night held on Wednesday was attended by a wonderfully responsive audience made up of family, friends and staff members. The evening began with a satirical piece entitled *Happily Eva Afta, Knot* which looked at various facets of married life - a clever pastiche which threaded together some interesting commentary on the position of women in contemporary society. This was followed by a series of individual performances which were simply breathtaking.

Laura Kliman's monologue entitled *V Day* took the audience on a rollercoaster ride as her character anticipated a Valentine's Day date. Brianna McDowell's comedic piece entitled *Big Break*, about an aspiring actress and her surprising day at an audition, had the audience in peals of laughter. Aparna Vishwanathan's monologue entitled *Registering My Interest* did not skip a beat in its excellence from start to finish. Her tender treatment of the character's experience with life as a single individual coping amidst the rising tide of friends' weddings proved Aparna is a performer of tremendously high calibre. We were treated to another group performance entitled *Posted*. A fine ensemble work, this piece of devised theatre had us wondering about the contents of a mystery package. Alison Torres was stunning in her role as a professional funeral crier. This piece was conveyed beautifully as Alison's commitment to the emotional truth of the character's life was filled with pathos and subtlety.

In addition to the group performances and monologues, an array of excellent projects were on display including costume designs, a director's folio, theatre reviews, video dramas and theatre poster designs. More will be written in next week's *Network* about these wonderfully creative works.

We wish our Year 12 drama students all the best as they undertake their HSC drama practical exam on Tuesday 19 August.

Ms Cannon

HSC Drama Performance Night

World of Works - 'WOW'

During Week 9 of Term 2, 25 students from Years 10 and 11 attended the *World of Works or WOW* which is run by the Foundation of Young Australians (FYA). This is a five day course which gives participants the opportunity to discover more about themselves and their interests regarding their potential career and the work environment. *World of Works* participants had the opportunity to tap into the resources and knowledge of diverse organisations as they search for their own answers to the question, "What does it take to succeed in life and work?"

This program was truly an unforgettable five day experience, where we were able to forget about all our usual daily problems of school. Being able to simply interact with other peers and some adults among the Sydney CBD to achieve a number of goals for now and the future and to see how we can reach them.

Throughout the week we:

- discovered there are many opinions into the question of, "What does it mean to be successful?"
- gained a deeper understanding of what it takes to succeed
- understood how to view different circumstances realistically whether it is positive or negative
- the concept of rejection and how to build from that
- learnt about our character strengths, the core skills for a number of work fields and how to develop these into something we can achieve and use them to guide us in the journey to success
- engaged with employers and employees in some of Australia's leading work places - Ajilon, PWC, IBM and Landers and Rodgers
- participated in FYA facilitated workshops focusing on personal development, employability, communication and problem solving skills.

All 25 students are extremely grateful to FYA and CTHS for allowing us to take this opportunity. We would also like to thank Mrs Ferguson who accompanied us, our FYA mentors, Tom and Stefan, and also the many businesses for taking time to meet with us.

The World of Works (WOW) program truly was a WOW experience we won't forget!

Ayush Kapila and Kriti Bajaj, Year 10

Year 10 2015 - Aboriginal Studies Accelerated Class

An information session will be held next Friday about undertaking the Aboriginal Studies course in an accelerated class. This opportunity is for students in Year 10 in 2015. This program has been running for a few years and currently a Year 10 and Year 11 group are completing this course.

As part of the Gifted and Talented programs at CTHS, students identified by teachers will be individually invited to participate and attend the information night next week. Other students interested in the course are welcome to attend the information session and apply for the course. Current students will be present to answer questions. All parents and students welcome.

Thursday 7 August in A2.11, 6.00 - 6:45pm.

For further information contact Mr Searle, HT HSIE

Hospitality

Year 12 are continuing their studies in food preparation and presentation. Over the last three weeks we have been studying the unit 'Produce vegetable, fruit, egg and farinaceous dishes'. We have made Passionfruit Soufflé, Vegetable Risotto and our favourite, Cutis' Spicy Penne with Chorizo and Roasted Tomato Sauce.

Technology

Year 7 students have been recycling fabrics by reusing them to sew a 'new' cushion to go in their bedrooms at home. They have many creative designs with every student using a different combination of fabrics.

Mrs Lane

PROCEDURE FOR LATE ARRIVALS

All students arriving to school after 8:40am **must** sign in at the student window where they will be issued with a late note. All late arrivals are required to have a note from their parent/guardian giving reasons for being late. No note results in a detention.

PROCEDURE FOR SICK STUDENTS

Students who are sick during class should see a teacher for written permission to go to sick bay. They must present themselves promptly to the **front office** and politely follow instructions from the office staff, who will then contact a parent/guardian when necessary. Sick bay is used for a short time only. Students should not call their parents in the first instance. Please refer to your diaries for further details. **Please be advised the school does not supply any medication, including pain killers, medicated creams, eye drops etc.**

Run, Walk or Crawl
 1504 Giant Steps
 to assist children
 with autism

active8change.com.au

Can your Students Climb Sydney's Tallest Building?

We would love to invite your students to be part of the 'School's Challenge' at this year's Sydney Tower Stair Challenge on Saturday 24 August. This is a great chance for teams of four to take on the 1,504 stairs from Pitt Street Mall to the Observation Deck at the Sydney Tower Eye. **Participants must be 12 years or older.**

Each stair climbed will assist Giant Steps who operate a school and intervention service for children and young people (2-20) who have been diagnosed with Autism Spectrum Disorder.

For more information and to register simply go to www.active8change.com.au. Alternatively you can contact Steve Corrie at Active8Change on 0439 975 759 for specific event day information or Michelle Jocum at Giant Steps on (02) 9879 4971.

SYDNEY JUNIOR OZTAG

OZTAG football is the latest craze in recreational sport that now has competitions running all over Australia. The game is low/medium-contact sport and the rules are designed to encourage this.

OZTAG is a great way to keep active and maintain fitness in the summer months and pre-season training.
