CHERRYBROOK TECHNOLOGY HIGH SCHOOL

Term 1

Week 8B

18 March 2016

DEPUTY PRINCIPAL'S REPORT

P&C Meeting

The next P&C meeting will be held on Tuesday 22 March at 8pm in the school library. All parents are most welcome and in fact actively encouraged to attend. On the night, we will have the Mathematics Head Teachers, Mr Woo and Mr Watson, speaking about all things mathematics at CTHS. In addition to this, the AGM will take place to wrap up the year that was 2015 and elect new committee members for 2016. We have a number of long serving members on the P&C who, after many years of faithful service to the school, are looking to step down this year. Our President, Stephen Phillips, has indicated he will re-nominate for the position of P&C President, but we will need others to be nominated for the positions of Treasurer and Secretary. None of these positions are onerous and the current members are only too willing to offer assistance. The role statements have been included in this week's *Network* for your further information.

Grease the Musical

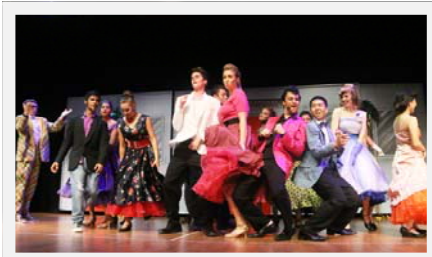

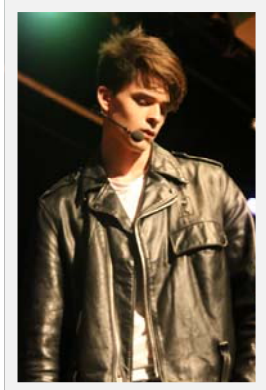

Grease is the word! Many of us have experienced either the musical or film, *Grease* when we were younger, but to see it performed by our very own students on the stage, with all its colour, glitz and glamour and great musical numbers, was a sight to behold! It doesn't take long before you are swept up in the era of the late 50s with the costumes and slicked back hair! You soon start tapping your feet to the great musical hits we have all come to love over the years, like 'Summer Nights' and 'Greased Lightning'. It is clear all the students, over seventy talented performers, involved in the cast, crew or as musicians, have worked tirelessly to create this great rendition leaving the audience in raptures. A big thank you must go to the production team, our Directors, Miss Holt and Mr Jones, our Producer, Ms Donoghue, and the Music Director, Mr Sirone, as well as a host of other teachers who have given their time to lend their expertise to set production, lighting and sound, costumes, props, backstage, photography, programs and publicity. As *Network* goes to print, there are still seats available at the door for Friday 18 and Saturday 19 March performances. Make these tickets "the one that you want!" Judging on the matinee and first night's performances, you will not be disappointed.

Year 11 Community Mentoring Program

The first session of our newly introduced Mentoring Program for Year 11 students kicked-off on Tuesday morning in the library. We had 24 keen Year 11 students in attendance, eagerly awaiting the opportunity to meet their assigned mentor, who was chosen based on our student's future career choices or preferences. We have doctors, nurses, police officers, physiotherapists and business people just to name a few, in attendance. Whilst both mentors and mentees were initially nervous, once conversations started to flow, the atmosphere became one of genuine interest and warmth from both sides. This program provides an opportunity for both mentors and mentees to learn from each other as part of the experience. A big thank you goes out to all our mentors who have volunteered to give up their valuable time for our students and to the Year 12 hospitality class and their teacher, Mrs Robinson, for catering breakfast on the day. We have five more mentoring sessions planned throughout the year followed by an end-of-year celebration awards' breakfast. If you are interested in being part of the program as a mentor in the future, an expression of interest form has been included in this *Network*.

Grease the Musical

AP3 Exams

Next week AP3 exams will commence for our Year 12 students. The lead-up period can often be as stressful as the actual exam time. It is important for family members to be mindful of the pressures and expectations placed upon their Year 12 child at this tricky time. Looking after your physical well-being is critical and if you do feel overly stressed to the point where you can't function, please seek help. Speak to your Year Adviser, Stage Head Teacher or a Counsellor for support.

School Travel Advice Changes

We have been advised by CDC Bus Company there are some morning school routes which have been amended. These will be effective commencing Tuesday 29 March 2016, after Easter Monday. It appears to affect Route 3108, so if your child travels on this bus please see the travel advice included within *Network* for changes.

Athletics Carnival Postponed

Sadly the PDHPE faculty was forced to postpone the planned Athletics Carnival this week due to poor weather. The Carnival is now scheduled for **Wednesday 25 May** and **Thursday 26 May** in Term 2.

Year 7 Interim Reports

Parents of Year 7 students will be able to access their child's Term 1 Interim Reports via the Sentral parent portal. If you are having difficulties accessing these, please contact our Stage 4 Head Teacher, Mrs Howard.

World's Greatest Shave

I had the great pleasure of removing the fulsome locks of hair from three of our keen students participating in the World's Greatest Shave event this week. Rishabh Sachdeva, Aditya Pai and Areeb Rashid, all from Year 9, had previously raised just under \$1,000, but as a result of their lunchtime 'cut-off' in front of many keen friends, they were able to push this amount well and truly over the \$1,000 mark. Whilst their hair got the better of the hair clippers, they were no match for the scissors. We also had support from Maddy Ray from Year 12, who dyed her hair for the event this year. Congratulations to all of these students for their efforts in raising funds for a good cause, supporting Australians with blood cancer and funding research in this area.

*Rishabh Sachdeva, Aditya Pai
& Areeb Rashid*

Year 11 Camp

The annual Year 11 camp, which is held in Jindabyne each year, will take place next week. Students who are attending must be at school by 5.15am, Monday 21 March. The Year 11 camp is often rated as one of the best school experiences by students when they leave school. There are a range of outdoor activities for students to participate in whilst at camp with the highlights likely to be the walk up Mt Kosciuszko and the cook-out on one of the hills overlooking the campsite. Students will also complete a compulsory Crossroads program during their time there. Students who are not attending the camp are expected to attend school for the week and will complete an alternate program. It is anticipated the **buses will be returning on Thursday 24 March by approximately 6pm** at the earliest. Parents are asked to **NOT PARK IN THE BUS BAY** when collecting students.

Congratulations to...

- Thomas Pellow, Year 9, who has been selected to compete in the National Junior League Baseball Championships in May
- The following students who have recently competed at major sporting events:

* Australian Junior Athletics Championships in Perth

Declan Plum: High jump
Ryan Jones: Steeple chase - fifteenth
Emily Jones: 100 and 400m hurdles and triple jump - sixth
Kate Collett: Shotput - fifth; Discuss - seventh

* State Little Athletics

Kate Collett: State multi - first
Kate will now progress to the Little Athletics Nationals event in April to compete in this event.

Mr Clements

Excursion to the Sydney Jewish Museum - HSC Modern History

On Thursday 10 March, Year 12 modern history students, accompanied by Mr Searle and Miss Thompson, embarked on an excursion to the Sydney Jewish Museum.

We listened to the testimony of a holocaust survivor named Maurice who gave us an emotional insight into the struggles he and his family went through in the midst of World War II. He gave us a harrowing view of the sacrifices to education he made, the struggle to get food and the cold nights he slept in the middle of winter. Maurice was ten years old when he began his ordeal and we are very lucky he was able to be with us and share his story.

We also listened to a university lecturer named Ari who taught us about the Nazi Racial Policy and the social policies in place during the Third Reich. We received an insight on the Nazi regime and how it affected everyday German life such as the schooling and their educational curriculum.

This excursion was harrowingly expanded upon as we were split into two groups and received a guided tour around the Museum. In this tour, we saw pictures and videos that painted a picture of the struggles these men and women endured during the Holocaust. Furthermore, it was the 'Children's Memorial' section of the Museum that really enhanced the hardships endured. Approximately one and a half million children died and a memorial was held that had one and half million drops of water that served as a metaphor to commemorate the lives of children who were never heard.

Overall, it was a very insightful experience which we will all surely never forget. We hope in the future coming, many of you will be able to visit the museum and gain a more knowledgeable insight on Jewish life and World War II.

Amit Gopichand

Mock Trial Success

On Wednesday 16 March, the CTHS Mock Trial team travelled to Hills Grammar for the first round Law Society of NSW Mock Trial Competition. Our task was to defend our client who was charged with the serious offence of dangerous driving. The team for this round consisted of Hansika Muthukuda and Amelia Smillie (Barristers); Lottie Wills (Defendant); Caitlin Preston (Solicitor); Matthew Barrett (Witness) and Dylan Vellani (Court Officer). It was a close and hard fought trial in which all of our students performed their roles to a very high standard. In the end the CTHS team was able win its first round of the competition in a close contest.

It was particularly heartening to see other CTHS students in the audience supporting us even at an away round. Thanks to Mr Fernandez for his assistance in preparing the team which was successful in the trial, progressing into the next round of the competition. We look forward to participating in the second round of the competition in the coming weeks.

Dylan Vellani

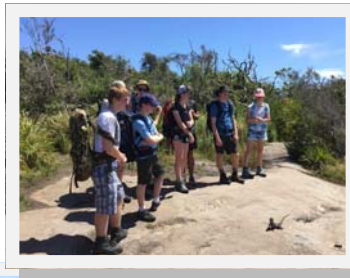

Hands-on History

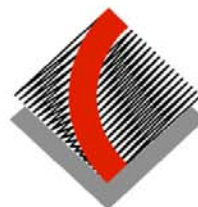

A new club has started on Fridays for students who are interested in history and in making things with their hands. We started several weeks ago with our chainmail project and have had around fifteen students each session. We will continue learning to assemble chainmail for the rest of the term and move on to our second project in Term 2, making a *Scutum*, a Roman Shield.

Kokoda Training

The fourteen students who've put their hands up for the Kokoda trip have been preparing steadily over the last two months. We officially started our training in the holidays with a 13km walk from Epping Boys High School to Turrumurra High and around Brown's Waterhole in Marsfield, followed by a 10km walk from the Spit to Manly Wharf. Once term started, we continued our training with hour long walks on Tuesday afternoons around Cherrybrook. Students and staff are also undertaking their own training in preparation for this arduous eight day trek in the Owen Stanley Range in PNG in July.

Cherrybrook Technology High School Community Mentoring Program

Dear Parents and Cherrybrook Community

In 2016 Cherrybrook Technology High School is running a Community Mentoring Program, where we bring together adults experienced in life, education and business, with our selected Year 11 students.

We are seeking mentors from a variety of career and life backgrounds to be part of our mentoring program. We feel that the best place to start looking for mentors is within our own fabulous school community, where there is a richly diverse range of skills, expertise and knowledge in a wide variety of areas.

Being a mentor requires:

- Having an interest in being a positive role model in the life of a Cherrybrook Technology High School young person
- The ability to set aside one hour for face-to-face mentoring each month (on school premises) for the duration of the year
- Being available to attend a mandatory training session
- Completing a 'Working with Children Check'
- Providing an opportunity for your mentee to shadow you at your workplace for a day
- Being a great listener!

If you or someone you know would like to apply to be part of this program or simply find out more information, please send an email to the address below or return the slip to the school office. All questions and enquiries are welcome. We would love to discuss any questions you may have and your suitability for this exciting new program.

Gary Johnson
Principal

Melinda Bower
Community Mentoring Program Coordinator

Please return to Melinda Bower or Pam Stallard via the Cherrybrook Technology High School front office or send an email to melinda.bower1@det.nsw.edu.au.

I would like to apply for / enquire about (please circle) the Cherrybrook Technology High School Community Mentoring Program and be contacted on the number and/or email below.

My Beautiful Biscuits Competition

Each semester the students in technology food, area of study, produce a biscuit, based on the design brief that they are working for Arnotts and need to manufacture a line extension product. This year the TAS faculty has decided to make it a little more challenging by pitting the classes against each other. Below are the peer voted winners of each class with the overall winner being Oliver Donnelly, from 8 Tec 7. Congratulations on your well thought-out and presented biscuit.

Mrs Robinson, HT TAS

Alexis Masterton, Alyssa Liao & Alicia Fathinia

Oliver Donnelly

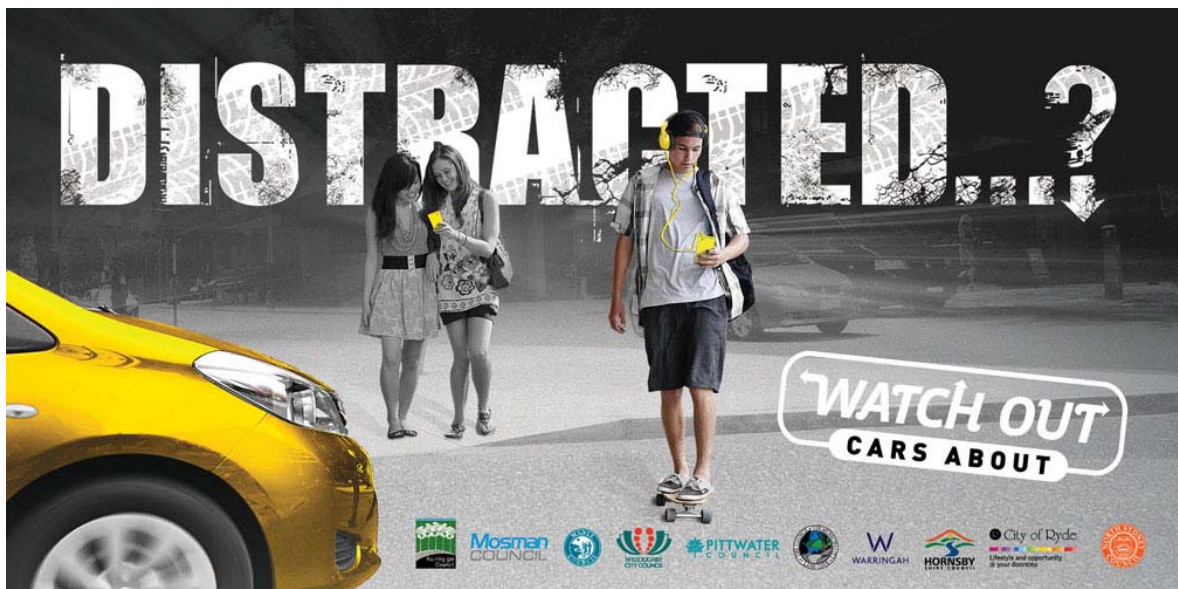

Nathan Jenkins

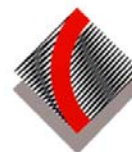

Jason Teng

Alexandra Morris & Emma Ross

Cherrybrook Technology High School
Parents and Citizens Association

Job Description - President

Role

This role involves leading the Cherrybrook Technology High School Parents and Citizens Association (CTHS P&C). This includes associated/subsidiary activities carried out under the auspices of the CTHS P&C (eg. canteen, building/infrastructure related activities).

The primary responsibilities of this role are:

- Chairing and successful functioning of the CTHS P&C meetings and ensuring that all members are able to participate in meetings
- Attainment of CTHS P&C objectives through member involvement
- Maintaining lines of communication with the Principal, school executive members and other staff as appropriate
- Ensuring the CTHS P&C takes part in relevant decision making processes at the school, and is represented as required at school functions
- Acting as the CTHS P&C spokesperson when public statements or actions are required
- Ensuring visibility and appropriate decision making in relation to activities carried out under the auspices of the CTHS P&C (eg. canteen, building/infrastructure, fund raising)
- Working effectively with other executive members of the CTHS P&C
- Signatory on CTHS P&C bank accounts and other documentation such as CTHS P&C staff letters of appointment.

The role is an elected role of the CTHS P&C, with elections occurring annually at the CTHS P&C Annual General Meeting.

The number of hours required to carry out the role will vary during the year, as a guide it can be expected three hours per week would be required.

EASTER
at
COMMUNITY LIFE CHURCH

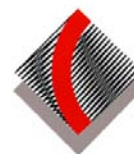

Good Friday
9.15am with Cafe and hot cross buns afterwards

Easter Sunday
Cafe and Kids Easter Egg hunt at 9.30am
Family celebration service at 10.00am

All services are held at Cherrybrook Technology High School.
For more details call our office on 9651 3534, visit our website
www.communitylife.org.au or find us on facebook.

Cherrybrook Technology High School
Parents and Citizens Association

Job Description - Secretary

Role

This role involves carrying out the administrative tasks related to decisions of any meetings of the Cherrybrook Technology High School Parents and Citizens Association (CTHS P&C).

The primary responsibilities of this role are:

- Attending CTHS P&C meetings (executive, general, AGM and others as required) and taking notes of discussions in order to produce minutes for receipt, possible amendment and adoption at subsequent meetings
- Collecting P&C related communication from the office of the school and through emails, tabling and, as necessary, actioning correspondence (in consultation with the President) relating to CTHS P&C activities
- Issuing notice and agenda (prepared in consultation with the President) of future meetings and ensuring appropriate publication for relevant audiences
- Ensure that the General and AGM meeting minutes are uploaded onto the school website in a timely manner
- Ensuring appropriate notice of P&C member invitations to school events (as requested by the school staff) is tabled
- Maintaining official records of the CTHS P&C, including the Constitution, By-laws, Rules of Sub-committees, certificates, regulatory requirements, list of financial (voting) members and meeting attendance lists
- Ensuring appropriate publication of P&C decisions and activities, including through the use of school newsletter/website, executive leadership members of the school
- Working with CTHS P&C executive members and CTHS executive staff on P&C related activities (eg. annual budget) as required.

The role is an elected role of the CTHS P&C, with elections occurring annually at the CTHS P&C Annual General Meeting.

The number of hours required to carry out the role will vary during the year, as a guide it can be expected a minimum of four hours per week would be required.

FROM THE LIBRARY

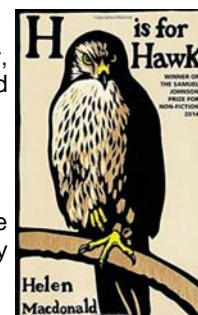

Book of the Week

Brilliance and Fury: Helen Macdonald's astonishing memoir *H Is for Hawk*. Helen Macdonald is a writer, poet, historian, illustrator and naturalist. Her book, *H is for Hawk*, about the taming of a goshawk called Mabel, reads like a thriller.

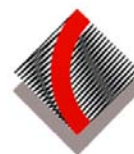

Student ID Cards

Students will receive their school ID cards during roll call over the next few weeks. Please ensure the details on the card are correct. Students are to see library staff as soon as possible if there are any errors.

CTHS Library Team

Cherrybrook Technology High School
Parents and Citizens Association

Job Description - Treasurer

Role

This role involves managing the financial affairs of the Cherrybrook Technology High School Parents and Citizens Association (CTHS P&C). This includes associated/subsidiary activities carried out under the auspices of the CTHS P&C (eg. canteen, building/infrastructure related activities).

The primary responsibilities of this role are:

- Maintaining the financial records of CTHS P&C according to relevant regulatory requirements and standards and any other relevant authority's requirements
- Ensuring that all monies due to and from the CTHS P&C are properly received and disbursed in line with authorities provided by the CTHS P&C and that correct records of these transactions are kept on a timely basis
- Ensuring the correct payment of wages/salaries, management of leave records, correct management and timeous distribution of any required allowances, superannuation, or other payroll related monies/transactions for any casual or non-casual employees of the CTHS P&C
- Ensuring banking and other vehicles used for managing funds of the CTHS P&C are properly authorised and transacted on in accordance with mandates and instructions of the CTHS P&C
- Ensuring appropriate controls (including those required by relevant authorities) are operating effectively with regard to all financial transactions relating to the CTHS P&C
- Ensuring that a budget is developed and tabled at least annually (more frequently if required by the CTHS P&C) for CTHS P&C approval and that monthly reports of actual income/expenditure/balance sheet/cash flow against budget are provided to the CTHS P&C at scheduled meetings
- Attendance at P&C executive and general meetings and submission of verbal/written reports on status and forward view of financial activities
- Ensuring that required insurances and any other relevant taxes, duties, payments relating to the ongoing operation of the CTHS P&C are approved and transacted on a timely basis
- Working with CTHS P&C executive members and CTHS executive staff on activities that maintain and improve the financial integrity, transparency and financial soundness of the CTHS P&C
- Working closely with the CTHS P&C Assistant Treasurer, CTHS P&C Canteen Manager and CTHS Canteen Bookkeeper to ensure the financial soundness, transparency and integrity of the Canteen activities, any building/infrastructure related activities, and activities delegated to the Assistant Treasurer
- Ensure that on at least an annual basis (more frequently if required and approved) an appropriate and independent audit of the CTHS P&C accounts is undertaken according to required standards, and the results of the audit together with the annual financial statements are presented for approval to the CTHS P&C Annual General Meeting.

The role is an elected role of the CTHS P&C, with elections occurring annually at the CTHS P&C Annual General Meeting.

The number of hours required to carry out the role will vary during the year, as a guide it can be expected three hours per week would be required.

PROCEDURE FOR EARLY LEAVERS

If a student needs to leave school early, they **must** provide a note from their parent/guardian giving reasons for their partial absence. **The student must hand the note in at the student window before 8:30am** where they will be issued with a leave pass. They can then present this pass to their teacher and leave school at the appropriate time.

On Thursdays (sport days) all students in Years 9-11 must have their early leave notes signed by a member of the PE staff before presenting to the office.

School Travel Advice

For trip planning visit www.transportnsw.info or call 131 500.

For current Hillsbus school and route services visit www.cdcbus.com.au or call 02 8889 7000.

Conditions of Carriage: Students must have a valid Opal card, term pass or pay a cash fare. Students must tap on and off every trip. Further details about the SSTS are available at: www.transportnsw.info

WEEKLY SPORTS REPORT

CTHS Athletics Carnival

Unfortunately due to the rain, we had to postpone our Athletics Carnival until Wednesday 25 and Thursday 26 May, Term 2 Week 5B. The events will still follow the same schedule, with only those who have signed-up to attend the extra events (400m, 800m, 15+ years triple jump and 13 years high jump) which will be held on the Thursday.

Knockout Games

Congratulations to the open boys' softball who defeated Kincumber High School 19/4!

CHS Tennis

Congratulations to Rahul Desai, Year 8, who was a member of the victorious team at the NSW Combined High School Junior Doubles Tennis Titles.

Sydney North Trials

This term features a multitude of trials for athletes seeking selection into the various Sydney North Teams. If you have any questions regarding these teams or trials, or wish to sign-up to attend the trials, please see Mr Vaux in the PDHPE Staffroom.

Grade Sport

Last week, we played against Chatswood. Available results are listed below:

Wednesday 23 March	Sydney North Girls Hockey Trials
Monday 4 April - Tuesday 5 April	CHS Swimming Carnival
Wednesday 25 May	CTHS Athletics Carnival
Thursday 26 May	CTHS Athletics Carnival (am)

Taekwondo at CTHS

If you wander the halls and balconies of Cherrybrook Tech on a Wednesday or Friday afternoon you'll often hear bellows of Korean counting, yells and *kihap* or see flashes of white *doboks* as members of the after school Taekwondo class run and jump, kick and punch in and around C2.1.

The Institute of Modern Taekwondo (IMT) has had its Cherrybrook branch running for 6 years now at CTHS which has gone from strength to strength. With Mr Peter Hartman (History Faculty) as the instructor, hundreds of our students have stepped through the doors and onto the mats to learn about this unique way of self-defence, a freestyle variant of the Korean martial art Taekwondo.

Drawing on both traditional and modern techniques and training methods, the IMT aspires to instil confidence and discipline in all of our students as well as resilience and physical fitness. All students of all levels and backgrounds are welcome. Some testimonials from CTHS students:

"Taekwondo increases not just mental strength but I have better endurance and stamina. It can be challenging at times, but also enjoyable. It feels like I am part of an encouraging big family." Taylor Catts, Year 9

"I used to be quite shy and TKD boosted my confidence. I've made lots of friends in other grades and at times it has been a great motivation to come to school." Rafaella Spadaccini Year 12

"We train twice a week and those sessions have made us stronger both mentally and physically. We both love attending taekwondo as it's a mental break and a good way to let off steam and focus on you, your mind and your body." Nadia Fathinia and Annissa Maharrani, Year 11

"Taekwondo is an enjoyable pursuit that you can do for fun or continue this martial arts training journey in the long run. You will leave with a practical set of skills and qualities." Tayden Lam, Year 9

"Through the years, despite the build-up of work, I believe that it's been a great way to relieve stress and when you're in class, you forget your worries and get within the 'mood' to try your hardest. I've learnt values in the class that I aim to use in all areas of life." Mathura Babu, Year 11

We train on Wednesdays and Fridays in C2.1 from 3:30pm - 5:30pm. Contact Mr Hartman for more information.

Mr Hartman

TRY MODERN TAEKWONDO!

THE INSTITUTE OF MODERN TAEKWONDO HAS BEEN GOING STRONG AT CHERRYBROOK FOR 6 YEARS. JOIN OUR TEAM AND LEARN VALUABLE LIFE SKILLS. GREAT FOR FITNESS, STRENGTH, SELF-DEFENCE AND DISCIPLINE. ALL ARE WELCOME!

Institute of MODERN Tae Kwon Do

Training Times (All classes in Room C2.1)

Wed:	Primary-	3:15-4:15pm
	Secondary-	3:30-5:30pm
Fri:	Primary-	3:15-4:15pm
	Secondary-	3:30-5:30pm

Your Instructor is Mr Peter Hartman, History teacher at Cherrybrook Technology High School. In addition to being a qualified and experienced high school teacher, Mr Hartman has been a student of Taekwondo for 23 years and an instructor for 11. He has taught 3 styles of TKD including ITF and WTF.

IMT Cherrybrook was established in 2011.

TRONICOLOGY

Re-invent your future

Fun Electronics and Robotics for Teens

Step into the exciting world of electronics with Tronicology

Who you are: Tech minded, inquisitive high school student

What you'll do:

- **Fun electronics using**
 - Arduino
 - LEDs/LCD/Matrix display/7 Segments
 - Switches/Switch matrix/Joy stick
 - RFID
 - Temperature/Humidity sensors
 - Motors/Servos
 - Ultrasonic sensors
- **Building Robots**
 - Line sensing/Obstacle avoiding and different types of Remote controlled robots
- **Programming Arduino using**
 - C language
 - Scratch/Snap graphical programming

When: Every Saturday 3:00-4:30 pm starting from 30th April 2016.

Where: Wexford Room, Castle Grand, Castle Hill

How much: \$35 per session

Registration: Through website
