Term 3

Week 1

21 July 2017

DEPUTY PRINCIPAL'S REPORT

Welcome Back to Term 3

Welcome back to Semester 2 2017, the final term for our HSC candidates and new courses of study for our Stage 5 Elective students. We hope the break was a chance for families to spend valuable time together and all students are refreshed and ready to tackle the challenges which lay ahead.

Premier of NSW and Minister for Education Visit

There was an air of excitement at CTHS on Thursday when we were treated to a surprise visit from none other than the Premier of NSW; the Honourable Gladys Berejiklian and the Minister for Education; the Honourable Rob Stokes. Both were keen to assess the progress of our building project, as well as meet and greet some of our fantastic students and representatives of the P&C. The media were on hand to capture the moment and the Premier also took some time to launch Education Week from our newly refurbished Library. All the feedback from these dignitaries was exceptionally positive and our Student Executive, as always, were exceptional representatives of our student body.

Staff Development Day

On Monday's Staff Development Day, staff professional learning was on the agenda. The keynote speaker, Jared Cooney Horvath, a neuroscientist who is an international expert focussing on how people best learn, was both engaging and extremely useful for staff. The main theme of his presentation focussed on the connection between Education, Neuroscience and Psychology.

One of our Head Teachers, Juliet Navarro, also presented some critical information for all staff about the changes to Teacher Accreditation, which begins for many at the start of next year. The afternoon was spent in KLAs preparing for Semester 2, 2017. All feedback about the day was extremely positive.

NAIDOC Assembly

On Tuesday we held our School Assemblies, which celebrated NAIDOC Week. The theme for this year was *Our Languages Matter*. The Assembly was a wonderful event showcasing a range of student work and multimedia, which really highlighted what NAIDOC Week is all about. The Percussion Group delivered a mesmerising performance and Hemanshe Kumar showcased her HSC project for Aboriginal Studies, *The Soul Sista Project*, a truly inspiring initiative which seeks to assist those truly in need. Caitlin Preston also led an excellent presentation highlighting an historical perspective of Aboriginal rights in Australia. Congratulations to Mr Searle for his organisation of these Assemblies and also to all of the presenters and performers on the day.

CTHS Ski Trip

Late Saturday night, 8 July, when most were tucked up in bed, 47 students and six staff members assembled at the bus bay to begin the trek to Mt Hotham for the annual CTHS Snow trip. The group, led by Mr Fisher, piled onto the bus and promptly went back to sleep, despite the excitement surrounding the idea that skiing and snowboarding was merely hours away. The students had an excellent time with the snow conditions being quite good for this time of the year. Thanks need to go to Mr Fisher, Ms Donoghue, Miss Hampe, Mr Kennedy, Miss Llamas and Mr Robb who readily gave up their holidays to take the trip and also to the parents of the students who got out of bed twice late at night to drop off and pick up their children.

Year 7 Reports

A reminder that Year 7 reports will be posted to the Parent Portal this Friday 21 July.

NCCD Information

As many would be aware, an email was sent from the school this week explaining the National Consistent Collection of Data in schools (NCCD). In line with Government policy, every school is required to collect and submit data as part of the National Consistent Collection of Data on School Students with a Disability. This assists in better directing support to areas of need. Information collected includes the broad category of disability and the adjustments made for learning to occur. No personal details of any student are identified. Please refer to the attachment to the email you were sent for further information.

Dedicated Staff

A quick thank you to the many staff who gave up time in the holidays to mark student work, or to come into school to assist in the preparation of student major works.

<http://cths.nsw.edu.au>

cths@cths.nsw.edu.au

Primary Principals' Morning Tea

On Wednesday, our Principal Mr Johnson, hosted a meeting and Morning Tea with the Principals from some of our partner public schools. Time was also made for a quick tour of the grounds, including a visit to the building site and the Library. The partnership and collegial relationships with our primary friends is invaluable to us as, an effective working relationship allows us to assist our youngest students to transition to high school as smoothly as possible.

Leaders Induction Ceremony

The new school leaders will be inducted on Friday of next week, 28 July. The newly elected group have been busy meeting and preparing new ideas, and the dynamic nature of this group is sure to bring a new flavour to our Student Executive. It will also be the last official ceremony for our outgoing leaders, who have been fantastic ambassadors for our fine school.

Uniform

A reminder, both ties and new sport shorts are now available at Lowes Castle Hill. It is also important to note, especially during these colder months, students should **NOT** be wearing hoodies under **ANY** circumstances!!

Building Update

The building project has had some considerable and noticeable progress during the holiday period. Firstly, two major sections of the ground floor slab have been completed, with the final portion due for completion in the coming weeks. The temporary covered walkway to the back entrance has also been erected and the onsite water retention tank is due for completion shortly. Preparations are also being made to upgrade the fire hydrant to provide more water pressure for emergency services. The slab for the lift will also be completed in the coming days. You can view the progress on the school's website at the address listed below:

<http://cths.nsw.edu.au/our-school/capital-works-project/time-lapse-videos/>

Year 10 into 11 Subject Selection Evening

Year 10 students and their parents are invited to attend an Information Evening where information concerning the selection of Year 11 and Year 12 subjects, Preliminary and HSC requirements and the subject selection process, will be provided. The Year 10 into 11 Subject Selection Evening will be held on **Tuesday 25 July** in the MPC at 6.30pm for a 7pm start.

Subject Selection booklets will be available for collection from 6.30pm. There will be a short presentation regarding Preliminary and HSC requirements after which, students and parents will have an opportunity to talk with KLA representatives about the various subjects offered at CTHS.

NSW Titration Competition

On Friday 16 June, 24 excited Year 12 students set off to compete in the NSW Titration Competition at The University of Sydney. The competition was fierce and all students representing CTHS really stepped up to the plate to do our school proud. With some spectacular results all around, the cherry on top was one of our teams placing third out of 50 teams in our division and fourth out of the 100 teams who competed on the day. The 100 teams included many selective and independent high schools! What a win for comprehensive NSW public high schools! Special congratulations are extended to Brinda Kumar, Natalie Windsor and Dillon McGrath for achieving this outstanding result.

On top of it being an amazing enrichment activity for our HSC Chemistry students, they were also able to explore the University campus and practise Science in a "REAL LAB!"

The Titration team would like to extend our thanks to Mrs Yang for assistance with lunchtime practice sessions, Mrs McLeay, Mrs Vandervinne and Mrs Brown in the lab for preparing all the equipment and solutions and local business owner Mr Alan Ng of Glenorie Coaches for his seamless transportation of students on the day.

Mrs Somasundaram

Goodbye Sarah Zehnder!

Year 11 Senior Science had the pleasure of hosting an exchange student in our class last semester. We would like to thank her for all her mature insights, fantastic jokes and polite comparisons to Switzerland's education system, including their no uniform policy! All the best to Sarah Zehnder as she completes the end of her secondary studies back home. Year 11 are going to miss you! All the best.

Mrs Somasundaram

Silver Awards

Congratulations to the following students who have achieved Silver Awards. These Awards will be formally presented at the appropriate end-of-year Assemblies.

Market Day

In the second and final term of the elective, *Running A Business*, students were assigned to form groups and create their own business, marketing campaign and product to sell to the student body. In preparation for Market Day, students had to plan, conduct market research, allocate work, budget, write a report, make decorations for their stall and polish their final product. On Wednesday 28 June Market Day commenced, where the groups sold their products to invited classes from Stage 4 and 5. The stalls varied from cakes to Japanese food, fidget-cubes to games. The students had to put their promotional skills to the test by attracting customers to their stall, in hopes to sell all their products or make as much profit as possible before the three periods of Market Day were over. It was a matter of putting the theoretical skills we had learnt during class to practice. All groups who participated did an incredible job being entrepreneurs for the day, and certainly excelled when it came to creating a unique business idea. I am sure all invited students thoroughly enjoyed the experience of Market Day. However, none of this would have happened without the hard work put in by our teachers and staff, so I would like to thank them for giving the students such a rewarding opportunity. Overall, Market Day was a big success and I am sure we all learnt one or two things about *Running A Business*.

Shakila Muthukuda, Year 9

Gold Awards

Congratulations to the following student who has achieved a Gold Award. This Award will be formally presented at the appropriate end-of-year Assembly.

Chill-Out Club Party - *The Future*

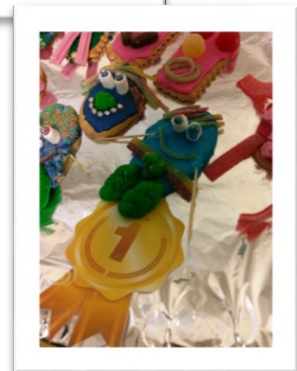

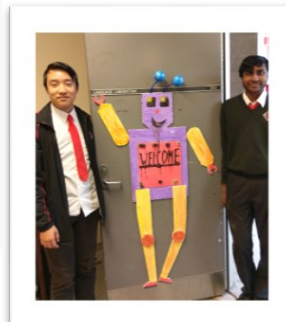

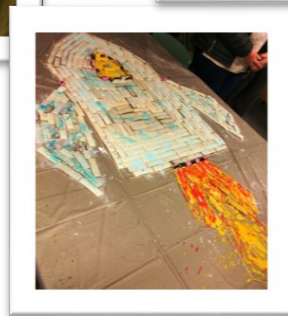

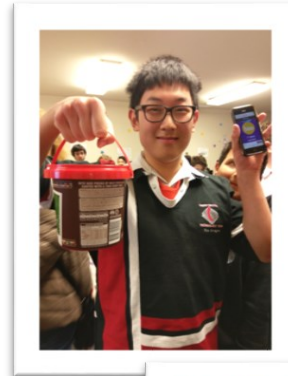

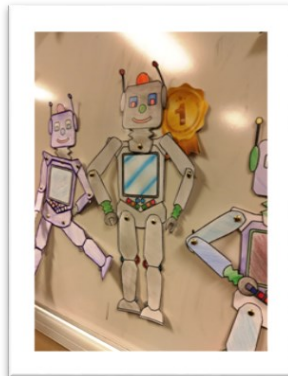

The end of term Chill-Out Club party was held on the last day of Term 2. The theme was *The Future* and the party team had spent the term making robots and spaceships as decorations. There were also robot biscuits, robot lollies and a giant rocket ship made from wafers and icing. Prizes were awarded for the winning cardboard robot and the winning robot biscuits and lollies, with the major prize for the term-long competition draw *The Future* being won by Nicole. During the party we held a Future Kahoot quiz, which was won by Ben Huang. He was able to answer a range of questions about Futurama, Back to The Future and other future related themes.

A big thank you to all the party helpers, especially Tyler who designed the multimedia display and the girls who made the rocket and all our regular helpers who made great contributions, including cleaning up.

Thursday Club, where we make decorations and prepare for the end-of-term Chill-Out Club party, is held every week in D1.3. The theme of the party for this term is *Lego!!* In Chill-Out Club we watch a movie every Friday in D1.3. All are welcome.

Hope to see everyone there!!!

Miss Deadman
Learning and Support Teacher

Year 11 Hospitality Italian Challenge

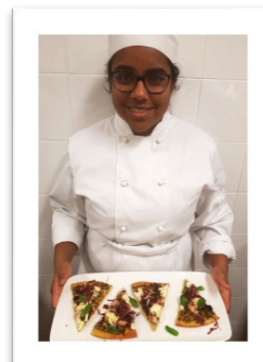

Italian food is one of the most popular and widely adopted cuisines all over the world. In Australia, spaghetti bolognese is a common meal served at home, it could almost be classed as our adopted national dish.

Italian recipes use a wide range of ingredients which are bold, satisfying, rich and textural using a whole palette of flavours from ingredients such as olive oil, garlic, capers, cannellini beans, fresh pasta, prosciutto, basil, oregano and mozzarella.

Year 11 Hospitality students were given a practical challenge task where they had to create their own Italian dish using typical Italian ingredients, showcasing their precision cutting skills and cooking methods mastered in class. The challenge of the task was to include a mystery ingredient, Radicchio, a quick growing leafy vegetable often used for salads in Italy's Veneto region. Although radicchio resembles red lettuce, its bitter-tasting, wine-red leaves set this vegetable apart from other leafy vegetables.

Each student successfully included the mystery ingredient into their recipes presenting dishes such as risottos, homemade ravioli, lasagne and gnocchi, caponata, pizzas, a wide range of pastas, a delicious Italian lemon cake served with a mixed berry coulis, custard and sugared radicchio!

Cherrybrook Village and The Smith Family: ShareMyShoes Campaign

For the rest of July, Cherrybrook Village in conjunction with The Smith Family, will be running the @sharemyshoes campaign. Cherrybrook Village have asked CTHS to be a collection point for unwanted pairs of shoes so they can be donated to The Smith Family to help raise funds to assist disadvantaged Australian kids. Every pair of donated shoes, sold through the Smith Family's retail stores, will help the charity fund education programs for children. @sharemyshoes collected over 12,000 pairs of shoes in 2016 and at the same time saved 8.1 tonnes of shoes going to landfill.

We've all got a pair of shoes (or a number of them!) that are hanging around the house. All we ask is that the shoes are in good condition and wearable, meaning that someone else would buy and wear them. Please pair them in a bag or tie them together with an elastic band or with their laces so it's easy to keep the two halves together.

A box will be located in A Block near the student window for shoe donations. All donations are greatly appreciated!!

If you don't have any shoes to donate, then it's still easy to get involved! Simply take a photo of your favourite pair of shoes and share it on Facebook or Instagram with #sharemyshoes and Mirvac will donate a dollar to The Smith Family for every pair photographed.

Thanks for your support.

Raquel Cuevas, Year 12

This July, we are helping The Smith Family and Cherrybrook Village collect unwanted shoes to help disadvantaged Australian Kids

RECYCLE TO BREAK THE CYCLE

WE'VE ALL GOT A PAIR OF SHOES (OR LOTS OF PAIRS) WE HARDLY WEAR. THIS JULY, DONATE YOUR SPARE PAIR OF SHOES INTO OUR COLLECTION BOX AND HELP THE SMITH FAMILY HELP DISADVANTAGED AUSTRALIAN KIDS.

WE ARE LOOKING FOR ALL KINDS OF SHOES AND ALL KINDS OF SIZES - SIMPLY BRING THEM IN TO OUR COLLECTION BOX, AND WE WILL PASS THEM ON TO THE SMITH FAMILY.

EVERY PAIR OF DONATED SHOES SOLD THROUGH ITS RETAIL STORES WILL HELP THE CHARITY FUND EDUCATION PROGRAMS FOR DISADVANTAGED YOUNG AUSTRALIANS ACROSS THE COUNTRY.

FREQUENTLY ASKED QUESTIONS

Where can we donate our shoes?

We are collecting shoes between 3 - 30th July. Look out for the collection box and we will kindly pass on all donations directly to The Smith Family.

Alternatively, you can donate to The Smith Family anytime by calling 1300 737 166.

What kind of shoes are you collecting?

We are after all sorts of shoes – adults, kids, male, female, sneakers, boots, sandals, heels, flats – anything! All we ask is that the shoes are in good condition and wearable, meaning that someone else would buy and wear them. Please pair your shoes together by placing them in a bag, tying them together with their laces or with a rubber band so it's easy for us to find their other half!

What does The Smith Family do with the shoes?

Every pair of donated shoes will be sold through The Smith Family's retail stores. The money raised from these sales will help The Smith Family fund its education programs for disadvantaged young Australians. Last year's @SHAREMYSHOES campaign collected over 12,000 pairs of shoes and saved 8.1 tonnes of shoes going to Landfill!

How can I find out more about The Smith Family?

We have provided some information about The Smith Family or you can visit their website at www.thsmithfamily.com.au to see all the great initiatives they run to support the education of children and young people in need.

ABOUT THE SMITH FAMILY

The Smith Family is a children's education charity that helps disadvantaged young Australians to succeed at school, to prevent them from experiencing a lifetime of poverty.

Today, one in 10 Australian children are living in jobless families, where even life's basics are hard to come by. When families are experiencing severe disadvantage, children can fall behind in their learning, leaving them more vulnerable to experiencing hardship themselves later in life.

The effects of disadvantage on a child's educational outcomes are striking:

In 2014, one in five children growing up in low socio-economic households did not achieve the national minimum reading standard. Year 12 completion rates are significantly lower (68%) for students from low SES backgrounds than for students from high SES backgrounds (79%). There is persistent underrepresentation of people from low socio-economic backgrounds in Australian universities.

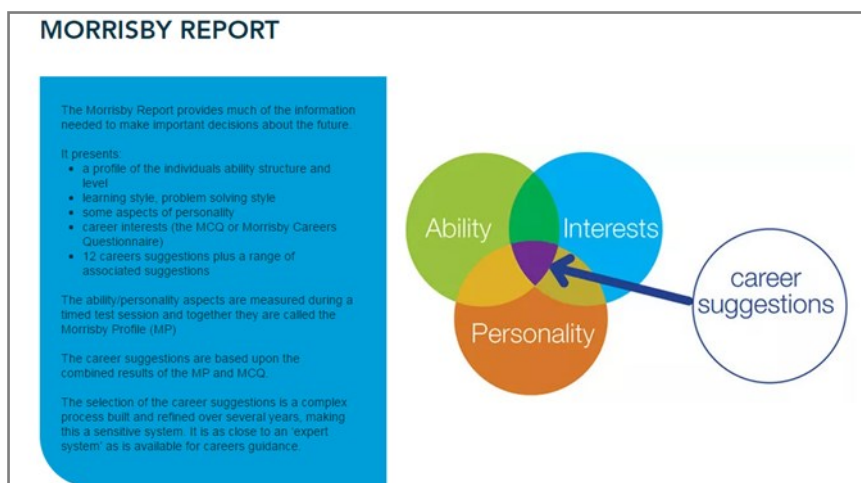

As Australia's largest children's education charity, The Smith Family helps disadvantaged young Australians to succeed at school.

The Smith Family's Learning for Life program assists around 34,000 students and their families each year in 94 communities across every state and territory in Australia. The program provides targeted long-term educational support and includes outside-of-school reading and numeracy programs, learning clubs, mentoring and career activities, as well as digital and financial literacy initiatives for parents.

Education is a powerful tool that helps disadvantaged young Australians to create a better future for themselves. So join The Smith Family and Mirvac and share your shoes!

CAREERS UPDATE

Morrisby Career Assessment Program

Twice a year the Morrisby Career Assessment Program is delivered at CTHS. It is a very valuable tool in assisting students to determine their most suitable career direction. The report focusses on career interests, abilities and some aspects of personality. A sample report can be viewed at <https://www.careeranalysts.com.au/morrisby-report>

Information and permission notes are available from the CTHS website <http://cths.nsw.edu.au/curriculum/careers/>

Please return the permission note, with payment, to the student window by **1pm on Monday 24 July**. Late applications CANNOT be accepted.

ACU's Early Achievers' Program Applications Closing Soon!

Applications close 31 July for the Early Achievers' Program at Australian Catholic University. Your positive community impact could help your entry into ACU, and if successful, you'll receive an offer to study at ACU as early as August, and benefit from opportunities to enhance your leadership and volunteering skills. Full details and how to apply at <http://www.acu.edu.au/early-achievers>

Macquarie University Global Leadership Entry Program

Submissions are progressively reviewed. Congratulations to students who have been accepted! Applications close 5pm, Monday 28 August 2017 <http://www.mq.edu.au/study/find-a-course/undergraduate/macquarie-entry/global-leadership-entry-program>

Mrs Ferguson and Mrs Bower

SPORTS REPORT

This week's report, unfortunately, is our final report as Sports Promotion Officers. However, it has been a great year of sport at CTHS, with many school athletics and swimming records being smashed, athletes representing Sydney North and NSW and plenty of school sporting teams dominating state-wide competitions! Ultimately, CTHS's best achievement this year was at the Zone Athletics Carnival, being crowned Champions and many star athletes breaking records!

We would like to wish the best of luck to the incoming Sports Executives and to CTHS to continue its sporting success.

Jack Dickinson and Georgia Clements, Sports Promotion Officers

Transport
for NSW

School travel update

Application information - June 2017

Information for parents, guardians and students

Our school has partnered with Transport for NSW to use the new online School Portal for endorsing school travel applications.

You are now able to manage all your school travel needs online including applying for school travel passes and tracking the status of your application.

The application process has also been simplified so that a new or updated application for school travel passes is only needed when a student is:

- applying for a school travel pass for the first time
- requesting an additional pass as a result of a new shared parental responsibility situation (e.g. joint custody).
- changing school or campus
- changing home address
- receiving an expiry notification
- repeating a school year
- changing their name
- requesting a new transport operator.

This means students who are progressing to year 3 and year 7 only need to reapply if they are changing circumstances.

Students who are not residents and are temporarily in Australia can also provide their visa subclass number and exchange program (if prompted) when applying online, making the application and approval process much faster.

Parents, guardians and students can apply or update their details online at:

www.transportnsw.info/school-students

If you do not have access to the internet contact 131 500 for assistance.

For trip planning visit www.transportnsw.info or call 131 500.

For current Hillsbus school and route services visit www.cdcbus.com.au or call 02 8889 7000.

Conditions of Carriage: Students must have a valid Opal card, term pass or pay a cash fare. Students must tap on and off every trip. Further details about the SSTS are available at: www.transportnsw.info

Parenting Through the Ups and Downs of Adolescence

TERM THREE: Wednesday September 6 2017 6pm-7.30pm

A seminar for parents of high school students discussing:

- Ways that adolescents may behave when experiencing intense emotions
- Responding to self-harm behaviour
- Parent strategies and tips to help parents remain calm and be a resource for their adolescent

- To register please call CYMHS on 9485 6155
- **VENUE: Hillview Community Health Centre 1334 Pacific Highway Turramurra. Entry via Boyd Ave.** Please allow enough time for parking and arrive 10 minutes before the registered start time.
- Unfortunately, we cannot provide childcare facilities and are unable to have infants/children attend with their parents.
- The seminar is available to families who live in the Hornsby Ku-Ring-Gai local government area.
- The cost of the seminar is \$10. There will be no charge for concession card holders.
- Registration is essential as groups fill quickly.
- Participants will be asked to complete feedback forms.
- The service reserves the right to postpone or cancel seminars in the case of insufficient registrations.

PROCEDURE FOR EARLY LEAVERS

If a student needs to leave school early, they **must** provide a note from their parent/guardian giving reasons for their partial absence. **The student must hand the note into the student window before 8.30am** where they will be issued with a leave pass. They can then present this pass to their teacher and leave school at the appropriate time.

On Thursdays (sport days) all students in Years 9-11 must have their early leave notes signed by a member of the PE staff before presenting to the office.

PROCEDURE FOR SICK STUDENTS

Students who are sick during class should see a teacher for written permission to go to sick bay. They must present themselves promptly to the **front office** and politely follow instructions from the office staff, who will then contact a parent/guardian when necessary. Sick bay is used for a short time only. Students should not call their parents in the first instance. **Please be advised the school does not supply any medication, including pain killers, medicated creams, eye drops etc.**

 Church St, West Pennant Hills

With thanks to our sponsors:

PLATINUM SPONSORS

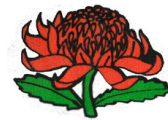

LOST PROPERTY

We would like to remind parents we have a lost property cupboard at the school, which is located near the front office. If students lose an item, please ask them to check the cupboard. We ask that **ALL** personal items are labelled with your child's name to ensure the prompt return of any misplaced belongings.

Please note, the lost property cupboard is cleared of unclaimed items at the end of each term and the clothing is donated to charity. Mrs Bevan

PROCEDURE FOR LATE ARRIVALS

All students arriving to school after 8.40am **must** sign in at the student window where they will be issued with a late note. All late arrivals are required to have a note from their parent/guardian giving reasons for being late. No note results in a detention.
