

DEPUTY PRINCIPAL'S REPORT

Year 10 Into 11 Subject Selection Evening

Tuesday evening was an important night for Year 10 students and their parents. The Year 10 into 11 Subject Selection Evening provides an opportunity for parents and students to receive useful information regarding the complexities of the HSC curriculum and for staff to provide insight and advice about appropriate course selection. This was particularly relevant as the NSW Education Standards Authority (NESA) has released a number of changes to the senior curriculum, which will come into effect in 2018/19 and were outlined on the night by Mr Johnson. Thank you to Ms Adamou for organising and presenting on the evening and also to our student helpers and new Student Executive, who were on hand to assist.

HSC Dance Performance Night

The CAPA faculty held its HSC Dance Performance Night on Wednesday, highlighting yet another aspect of the tremendous skills and talents of our students. This is also a valuable opportunity for our senior students, who will shortly be sitting their HSC examinations, to prepare and perform their practical compositions. The audience was entertained by a variety of dance styles and video compositions. The diversity and intricacy of performances are a credit to the Year 12 Dance students and their teacher, Ms Holt. Congratulations to all involved for your efforts!

P&C General Meeting

Next Tuesday 1 August, the P&C will meet in the staff common room at 8pm for their General meeting. This will be the first meeting for Term 3 and, as is always the case, parents are invited and highly encouraged to attend. This meeting will feature a presentation by Mrs Gibbs, Head Teacher Science, who will be discussing recent changes to the senior Science curriculum.

Sydney North Athletics

On Monday and Tuesday this week, we had a number of our talented athletes represent CTHS at the Sydney North Athletics Carnival, which was held at Homebush. From all reports our students competed well, with some strong performances over the two days. Congratulations to the 14 years boys' 4x100 relay, who placed first; the 17+ years girls, who finished second and Katie Devitt, who qualified for the 4x400 Sydney North team. Only a limited number of results have been issued to date, therefore, a detailed report will be included in next week's *Network*.

School Leaders' Induction Ceremony

A big event on the calendar occurred on Friday with the School Leaders' Induction Ceremony. This event signals the handover from the 2016-2017 Student Executive to the newly elected 2017-2018 group. We would like to recognise the efforts of the outgoing team, which has been amongst the finest in terms of their role modelling, academic success and innovation as leaders. This event also provides the opportunity for the incoming group to set lofty goals as their successors. I have every confidence the new Student Executive will bring their own distinctive flavour to this role with their own innovative ideas.

Congratulations to...

- Maya De Angelis, Year 8, who won the State Finals in Junior Handling for Dogs NSW, for the second year in a row.

Cherrybrook Technology High School Vaccination Clinic Visits Schedule

Year 7 Vaccination Program

11 August 2017

Year 7 Chicken Pox (Varicella) Diphtheria-Tetanus-Pertussis (dTpa)

Year 7 students, who are absent for this visit, will be offered dTpa and Varicella at a later visit.

A Record of Vaccination will be provided to each student vaccinated at the clinic. Parents/guardians should ensure this record is kept for future reference and should not assume their child has been vaccinated if they do not receive this Record of Vaccination.

On the day of the vaccinations, students are advised:

- To ensure they have breakfast on the day
- If they are nervous, to talk to their teacher (this could also include their Year Advisor, Stage HT, a chosen classroom teacher or Mrs Navarro)
- To bring a book or ipod with them as a distraction
- After their vaccination, they will be asked to sit quietly for fifteen minutes for observation before returning to class.

If you would like information on the School Vaccination Program in languages other than English, it can be found at:

http://www.health.nsw.gov.au/immunisation/Pages/school_vaccination_language.aspx

Parents/guardians, who wish to withdraw their consent for any reason during the year, may do so by writing to the school Principal or phoning the school. The Procedure for Withdrawal of Consent is available on the NSW Health website at www.health.nsw.gov.au/immunisation.

If you have any further questions, please don't hesitate to contact the School Immunisation Team on 9477 9400.

Mrs Navarro, HT Student Programs

SCHOOL CARPARKS

Boom gates have been installed to both school carparks. Parking is available to staff only, between the hours of 7am and 4pm school days. Ample street parking is available for visitors to the school.

Neighbourhood Watch Excursion

On Thursday 20 July, our Stage 6 Drama students (along with three fortunate Stage 5 Drama students) had the opportunity to see a production of *Neighbourhood Watch* at a theatre in Darling Harbour.

With the AP4's approaching, our Year 12's are required to write an essay on this work, as well as a number of other plays. As all HSC Drama essays require students to grapple with how various plays are realised on the stage, seeing this work has now given them plenty of material to draw upon, as they include important insights into the characters and the world of the play through taking the exam marker into specific stage moments in order to demonstrate their knowledge of the course rubric.

Our Year 11 Drama students begin their HSC Drama course in Term 4, so seeing a production of one of the plays they will be studying is a good start to their momentous final year of school.

School excursions are made possible through the generous support of parents, who wish their children to engage with the many rich and varied learning experiences provided. This being the case, an expression of gratitude is in order as payments were prompt and this was so greatly appreciated with our new LMBR procedures, requiring monies be paid as soon as possible.

To all the SAS and teaching staff, who assisted in so many helpful and generous ways from processing payments to covering lessons to checking paperwork, a sincere thank you.

Ms Cannon

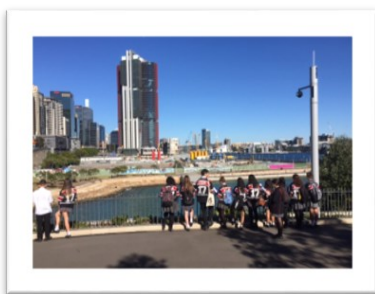

Year 12 Geography Students Complete Case Study of Barangaroo

Last week, our Year 12 Geography class travelled to Sydney to undertake compulsory fieldwork looking at the urban dynamics at work in a suburb of Sydney. The suburb, Barangaroo, was formerly the community of Millers Point and sits on prime inner city land adjacent to the Sydney CBD at the southern end of the Sydney Harbour Bridge. The suburb has a strong, working class history, with many of the families who grew up there still having a connection to the area and its maritime ship dock past. The area, which is now Barangaroo, was for many years a large concrete dock catering for many large overseas passenger cruise ships. The suburb has since undergone significant urban renewal, with the building of three large commercial towers and the opening of Barangaroo Reserve to the north. When it is finally completed in 2024, Barangaroo will accommodate more than 23,000 workers and residents in high rise towers and apartments, as Sydney continues to be transformed with a focus on urban consolidation.

After our tour of Barangaroo, including a presentation by a Lend Lease representative, speaking about the many sustainability initiatives included in the development, we walked through the adjacent Millers Point and Walsh Bay suburbs to investigate the gentrification which has been transforming the old terrace houses still existing there. It was clear from the protest banners hung from many of these buildings, the Government plans to move public housing tenants out of the area has not been well received.

The information and insight we gained from our first-hand visit to this suburb, will prove invaluable to our upcoming HSC exams. A great day was had by all.

Mr Clements

Arts Alive Drama Festival

Our Stage 5 and Year 7 Drama Ensembles had the privilege of performing at the Arts Alive Drama Festival on Wednesday night. Congratulations to these wonderfully talented students and to their inspired Tutor, Mrs Cunningham.

Hannah Wotton and Nathan Jenkins were comperes for the Festival and their professionalism and maturity in this role is a testimony to their ability to be confident presenters in a high profile public forum.

I asked a few students to write about their experience of the Festival:

"Performing at NIDA (National Institute of Dramatic Art) was a huge rush. It's a feeling you don't ever get tired of. I like to think the performances CTHS presented gave people something to remember."
Stephanie Neil, Year 9

"The Arts Alive Drama Festival was an incredible opportunity for our two Drama Ensembles. Both Ensembles were able to perform on stage at NIDA, along with other schools from around the Sydney Metropolitan area. The show was an exemplary demonstration of creativity, with performances ranging from comedic to emotional. The Year 7 Drama Ensemble highlighted an issue present in today's society in a creative manner, with their piece titled *Rubbish*. The Stage 5 Drama Ensemble performed a work based upon notes you find out in the world titled *Found*. Overall, this experience will catapult our talent and experience to a whole new level."
Holly McRobb and Adrian Ortega, Year 9

"Being the only Year 10 in the Stage 5 Drama Ensemble has been quite an experience from the laughs to the bonds we have shared, which was what really showed at NIDA. After weeks and weeks of practice, with all the ups and downs, we shone through in the end. Our Tutor, Mrs Cunningham, made it so much fun. Our ideas discovered, during the devising process, were used to make the piece and Mrs Cunningham gave us lots of guidance along the way. Thank you also to Ms Cannon for all her support with the tasks associated with organising our involvement in the Festival. When you are finally on stage, it is the moment when all your hard work finally pays off and that feeling is truly incomparable."
Haron Kannamala, Year 10

Thank you to all parents who made the long trip across from Cherrybrook to Randwick in peak hour traffic to make it to the venue by the stipulated time. All the organisation, which goes into participating in these events, is another element to be factored into the already busy schedules of most households in Cherrybrook. Your kind and generous support is greatly appreciated and, judging by the big smiles on the faces of students at the end of this Festival, it was well worth the effort.

Ms Cannon

From the Library

The Premiers Reading Challenge only has a month to run, so immerse yourself in another book to 'escape to anywhere you wish' (which happens to be the theme of this year's Book Week, also in August). The final date is 25 August, but sooner is better than too late. Remember to log your readings in the Personal Reading Log or they will not be counted, although the pleasure or thrill of the read will accompany you forever.

<https://online.det.nsw.edu.au/prc/booklist/readingLog.html>

The Australian Council for Educational Research (ACER) publishes a magazine called *Teacher*. The current issue has an article about our 2016 Year 7 Literary Festival. You can read it here:

<https://www.teachermagazine.com.au/articles/literary-festival-gets-students-excited-about-storytelling>

The good news is during Term 4 there will be another such festival for Year 7. An exciting array of authors, performers and illustrators is being organised. In the meantime, read to escape, imagine, discover, explore, relax, keep up with Robert Gates, Elon Musk, Mark Zuckerberg and all those busy people, who enrich their lives by reading fiction in its many splendid genres.

Ms Halder

Robotics

Earlier in the July school holidays, Thunderbolt's Robotics team competed at Macquarie University's off season competition, the *Duel Down Under*. I represented Cherrybrook Technology High School as the Vice Captain of the team as well as driving the team's robot to victory. They did exceptionally well and came third overall, making it to the semi-finals.

Later in the holidays, the Thunderbolt's Robotics were invited by Macquarie University to represent Australia with two other Australian teams in the Asian Pacific Invitational Competition (API), competing against different countries all over the Asia Pacific region such as China, Taiwan, Hong Kong, South Korea and India. I also represented Cherrybrook Technology High School and contributed to the success of the team in this International competition.

Justin Kwok, Year 9

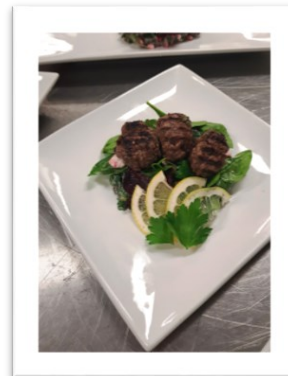

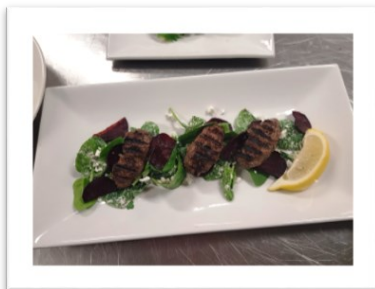

Australian Cuisine - Kangaroo Kofta with Warrigal Greens, Beetroot and Feta

Australia has a rich variety of food and drinks, adopted and adapted since colonisation and developed as part of a multi-cultural society. What was once new and foreign has been transformed with new ingredients and styles into distinctly Australian food.

Stage 5 Food Technology utilised Australian native ingredients, cooking methods and equipment which originated from other countries around the world to prepare the fusion recipe *Kangaroo Kofta with Warrigal Greens, Beetroot and Fetta*.

Kangaroo is a rich, lean meat which lends itself to the warmth of peppery spices such as the native Australian pepper berry and the clean heat of the grill or a hot frypan, making this a healthy dinner option. The students presented their finished product beautifully and all agreed that the meal was delicious.

Mrs Goykovic

Silver Awards

Congratulations to the following students who have achieved Silver Awards. These Awards will be formally presented at the appropriate end-of-year Assemblies.

Shakila Muthukuda Year 9
Vinusha Navaneethan Year 9

**The CoolKids and Adolescent Health Program:
Helping distressed children & adolescents suffering from somatic health
complaints (including recurring headaches, stomach-aches etc).**

About 40% of children and adolescents may experience functional somatic health complaints, which are medically benign (that is, they have no identified organic cause). The most common somatic-health complaints experienced by children and adolescents include *recurring abdominal pain, gastro-intestinal symptoms, recurring headaches, chest pains, dizziness and nausea*. Research has shown that these children are prone to have increased rates of school absenteeism, and this may also have an impact on their learning, peer relations and overall quality of life. Studies have also indicated that up to 80% of children and adolescents struggling to cope with these recurring functional somatic health complaints may also be experiencing anxiety and/or depressive problems.

Our new, **CoolKids and Adolescent Health Program** is designed to specifically help children learn how to concurrently cope and manage their somatic symptoms as well as learn stress management skills. This program is specifically designed for children aged 7 to 17 years who are experiencing recurring somatic health complaints for at least 3 months (and which a GP or medical specialist has confirmed that the symptoms are medically benign). The program is individually based and involves 10 x 1 hour weekly therapy sessions held either in-person at the Centre for Emotional Health (CEH) Clinic at Macquarie University or via Skype or telephone. Interested families will be invited to attend a screening assessment to determine eligibility.

Organisation: Centre for Emotional Health, Macquarie University.

Researchers: Associate Professor Maria Kangas, Prof Ron Rapee, & Prof Mike Jones.

Who is eligible? Children and adolescents aged 7-17 years who are experiencing recurring somatic health complaints for a minimum of 3-months.

Contact: For more information, please contact **Assoc. Professor Kangas and her team** (email: CoolKidsHealth@mq.edu.au or maria.kangas@mq.edu.au) or telephone (02) 9850 8599 or (02) 9850 4082.

PROCEDURE FOR EARLY LEAVERS

If a student needs to leave school early, they *must* provide a note from their parent/guardian giving reasons for their partial absence. The student must hand the note into the student window before 8.30am where they will be issued with a leave pass. They can then present this pass to their teacher and leave school at the appropriate time.

On Thursdays (sport days) all students in Years 9-11 must have their early leave notes signed by a member of the PE staff before presenting to the office.

PCYC POLICE CITIZENS YOUTH CLUBS

SAFER DRIVERS COURSE FOR LEARNER DRIVERS

THE SAFER DRIVERS COURSE INVOLVES TWO MODULES:

MODULE ONE:
A three-hour facilitated group discussion on how to manage risks on the road. This will involve a maximum of 12 participants and will be delivered by a facilitator.

MODULE TWO:
A two-hour, in-vehicle coaching session to develop low-risk driving strategies. This will involve two participants and a coach.
Course cost: \$140

Participants must have completed 50 hours of actual on-road driving experience to be eligible for the course. Credits gained under the 3-for-1 scheme cannot be included.

LEARNER DRIVERS WHO COMPLETE THE COURSE WILL RECEIVE 20 HOURS OFF THEIR LOG BOOK.

ALL PARTICIPANTS MUST:

- Hold a valid NSW Learner Licence
- Be under 25 years of age
- Have completed 50 logbook hours (of actual on road experience and not credits gained under the 3 for 1 professional instruction scheme)

LOST PROPERTY

We would like to remind parents we have a lost property cupboard at the school, which is located near the front office. If students lose an item, please ask them to check the cupboard. We ask that **ALL** personal items are labelled with your child's name to ensure the prompt return of any misplaced belongings.

Please note, the lost property cupboard is cleared of unclaimed items at the end of each term and the clothing is donated to charity. Mrs Bevan

VISITORS TO THE SCHOOL

A reminder to all visitors there are clear guidelines regarding visiting the school and seeing staff or your child during school hours:

- Appointments to see a member of staff must be made in advance, by phoning the school
- The first point of entry to the school is the Front Office which is located in A block
- To ensure the safety of all students, visitors are not permitted to enter beyond the Front Office without prior permission
- Official visitors are required to sign in at the Front Office.

Woolworths Earn & Learn 2017

Dear Parents,

Woolworths Earn & Learn 2017

This year we will be participating in the Woolworths Earn & Learn program. Through this program we will be able to get new educational resources for our school/early learning centre – and all we need you to do is shop for your groceries at Woolworths.

From Wednesday 26th July to Tuesday 19th September, we are collecting Woolworths Earn & Learn Stickers. You will get one Woolworths Earn & Learn Sticker for every \$10 spent (excluding liquor, tobacco and gift cards). Place the Woolworths Earn & Learn Sticker onto a Woolworths Earn & Learn Sticker Sheet and when it's complete, the Sticker Sheet can be dropped into the Collection Box here at the school or at your local Woolworths.

At the end of the promotion, we'll be able to get some great new equipment. The range is extensive and offers lots of items ideal for our students – including resources for Maths, English, Science and some fantastic fun supplies for Arts & Craft, Sport and for our library. If you'd like to know more visit woolworths.com.au/earnandlearn.
