

DEPUTY PRINCIPAL'S REPORT (relieving)

Duke of Edinburgh

The first Duke of Edinburgh walk for 2018 was held over two days this week, with seventeen students and three staff completing a 28km Bronze Award walk from Cowan to Brooklyn and then Patonga to Woy Woy. From all reports it was a challenging, but enjoyable experience and my thanks go to Miss Llamas (Duke of Edinburgh Coordinator), Mr Annetts and Miss Zappala for giving up their time to provide this experience for our students. A more detailed report on the walk is included in this addition of *Network*.

Zone Cross Country

On Wednesday of this week many of our students competed in the Zone Cross Country Carnival at St Ives Showground. On what was a wet autumn day, our students tackled the course with enthusiasm and sportsmanship leading to many fine results. Amongst the many outstanding achievements, congratulations go to Ricky Chapagain, Lachlan Dewar and Milena Visser who all came first in their age group.

Unfortunately, due to the afternoon rain, the Presentation Ceremony could not take place. A more detailed report will follow in a later edition of *Network*.

Trivia Night

A regular fixture on the CTHS calendar, this year's Trivia Night will soon be upon us. Come along on Friday 29 June at 7pm to the MPC for what will be a great night of laughter, knowledge, community spirit and robust discussion about all things general knowledge. All proceeds raised go to support our sister school, the Smiling Hearts Association for Children (SHAC) Cambodia, an organisation very close to our students' hearts, which currently supports over 300 students. Buy your tickets online via the following link <https://www.trybooking.com/book/event?embed&eid=384312>. Individual tickets or table groups available.

P&C Meeting

A reminder, the June meeting of the P&C is fast approaching with the General Meeting commencing in the school common room at 8pm on Tuesday 5 June. Mr Anderson, Head Teacher Computing Studies, will present the new Learning Management System, CANVAS and how it is being used to enhance teaching and learning across the school.

Year 8 and 11 Parent/Teacher Interviews

Parents of Year 8 and 11 students, who would like to discuss the progress of their child, are reminded to login to the Parent Portal to make the necessary bookings as soon as possible. The interviews are being held on Tuesday 5 June from 4pm-8pm in the MPC. It is vital to book, as this night is a very busy one for many staff. Interview bookings will close at 5pm on Sunday 3 June. Students are also welcome to attend as they benefit from feedback on their in-class performance.

Year 11 reports will also be distributed on the night, whereas the reports for Year 8 students will be uploaded onto the Parent Portal on Friday 15 June.

Building Project Update

The G block Science refurb is well underway, with walls and services currently being installed. Over the next two weeks, the contractors will install the windows, doors and fixed furniture in the Science laboratories.

The Sport Court excavation works are continuing and we will shortly see the steel structure erected for the shade cover.

School of Rock Australia

Congratulations to Heath Jelovic, of Year 8, who has been selected to play the role of Lawrence in the Melbourne season of Andrew Lloyd Webber's *School of Rock* at Her Majesty's Theatre. Heath, who originally auditioned for the role in early February this year, found out he had been selected during a Geography lesson via a text message from his agent! He will begin rehearsals in September and will be based in Melbourne, with his family, for a five month period performing three to four shows per week from October this year.

Heath is no stranger to musicals and stage productions, having played roles in community performances of *Beauty and the Beast*, *The Wizard of Oz*, as well as performances for Opera Australia. However, this will be the first professional musical for Heath.

We wish Heath every success in what is an exciting time for him and his family. Please follow this link for more information about the musical <http://au.schoolofrockthemusical.com/>.

Congratulations to...

- Liam Christie, Year 11, who will be competing at the 2018 Australian Gymnastics Championships in Melbourne <https://goo.gl/LoEexZ>.

Comedy for a Cause Fundraiser

This week's *Network* contains a flyer advertising a fundraising activity organised by Arthur Phillip High School. They are sending a small student group to Kokoda this year at the same time our CTHS group will be walking the track. The organisers of our Kokoda tour, Ms Kerr and Mr Caccamo, have been helping Arthur Phillip High School with their preparations prior to the trip, given our successful trip in 2016. My apologies for the short notice of this upcoming event, but if you are looking for something local to do on Saturday evening, this event is headlining some quality comedians and the funds will be helping the Arthur Phillip High School students get to Papua New Guinea to walk the Kokoda Trail.

Annie The Musical

A flurry of preparations have been rippling through CTHS campus over the past fortnight. Students from all year groups have been exercising their vocal chords and digging deeply into those reserves of courage as they face the prospect of standing in front of the audition panel, who are selecting for our forthcoming 2019 School Musical, *Annie*.

The already substantial list of names of 'auditionees' has become steadily lengthier. Miss Holt and Mr Felton were wowed by everyone who took the risk to take part in the audition process held in D1.7 on Thursday afternoon.

A wonderful musical filled with a host of much loved songs, *Annie* promises to be a fine night of entertainment and will be staged in the MPC in Term 1 of 2019.

Duke of Edinburgh Award, Cowan to Woy Woy Journey

On Monday 28 May, seventeen students and three teachers set off for their Adventurous Journey as part of their Duke of Edinburgh Bronze Award. The group ranged in ages and bushwalking experience. We started our walk at Cowan and followed the Great North Walk along through Jerusalem Bay where we stopped for a break to admire the view. We continued up and down steep mountains for fourteen kilometres where we finished in Brooklyn. Catching a boat across the water to Patonga, we then set up camp for the cold night with a stunning sunset view over the water.

Day two consisted of another tough walk through Brisbane Waters National Park showcasing the stunning coast line. Fifteen kilometres later we finished up in Woy Woy where students happily boarded their train ride home and to finally rest. Well done to all of these students for their dedication, teamwork and enthusiasm on this trip. These students will continue their training and will go on their qualifying trip next term. Another group of twenty students will be tackling this same trip for their first time towards the end of the term. A huge thank you to Mr Annetts and Miss Zappala who assisted in the smooth running of this excursion.

FROM THE LIBRARY

Study Skills notes have been issued to Year 11 students for an incursion on Friday 27 July, periods 1 and 2. Attendance is expected and required. Please complete the form and return, with payment of \$15, to the student window by Friday 22 June.

Goal Setting and Time Management are essential, timeless skills applicable beyond the classroom and useful in every endeavour. Elevate Education's website provides additional ongoing support to ensure consolidation.

The Reading Survey, which was recently sent to all students, is a short survey which will help the library to cater to your interests, needs and preferences. Unlike all the commercial surveys, which probably appear in your various media platforms, this little survey neither wants to sell you products nor seeks to entice you to reveal your motivations. It merely guides us to select resources reflecting your choices. So, please take a moment to open your Departmental email in the Student Portal and complete this survey (from Friday 13 May, Amber Sorensen, CTHS reading Survey).

PROCEDURE FOR SICK STUDENTS

Students who are sick during class should see a teacher for written permission to go to sick bay. They must present themselves promptly to the **front office** and politely follow instructions from the office staff, who will then contact a parent/guardian when necessary. Sick bay is used for a short time only. Students should not call their parents in the first instance. ***Please be advised the school does not supply any medication, including pain killers, medicated creams, eye drops etc.***

PROCEDURE FOR EARLY LEAVERS

If a student needs to leave school early, they **must** provide a note from their parent/guardian giving reasons for their partial absence. **The student must hand the note into the student window before 8.30am** where they will be issued with a leave pass. They can then present this pass to their teacher and leave school at the appropriate time.

On Thursdays (sport days) all students in Years 9-11 must have their early leave notes signed by a member of the PE staff before presenting to the office.
