

DEPUTY PRINCIPAL'S REPORT

Leaders' Induction Ceremony

Today's formal Ceremony saw the induction of our new Leadership Team. It also provided the opportunity for our current Leaders to be farewelled and thanked for their outstanding service. Our outgoing Leaders have been outstanding role models in what has been a very demanding twelve months. They combined their many and varied school duties with their academic studies, cultural pursuits and sporting commitments in a manner which demonstrated maturity well beyond their years. The Leadership Team led many impressive projects, all demonstrating their commitment and determination to the ethos of the school.

Hopefully, our new Leaders will have an equally impressive twelve months in office.

AP4 Exams

The HSC is fast approaching, with students busily working towards their deadlines to complete their practical projects. Families often feel the stress of these examination periods, so remaining calm, giving encouragement and trying to put things into perspective are important things to remember at this time. Without careful management, stress and anxiety can combine with the normal challenges of teenage years, to bring undesirable consequences. It is particularly difficult when students see some of their peers breaking down in tears. A balance between study, physical exercise, social activity and downtime will be beneficial for most. However, not all students are able to manage the stress by themselves and this is when it is very important to seek help.

The Year 12 Trial HSC exams will commence on Monday 6 August. Many students find this exam period particularly stressful and it is important for all students to try to prepare for these exams in the best way possible, ensuring they take some time off to 'recharge their batteries'.

If a student cannot attend a Trial HSC exam for any reason, they **MUST** contact the school on the day of the exam and complete the necessary paperwork regarding their absence. If you have any queries, Ms Adamou, Head Teacher Stage 6 or Mr Edinburgh, Head Teacher Administration, are the people to speak to regarding these issues.

P&C General Meeting

The P&C General Meeting was held on Tuesday 31 July. I would like to thank Mr Spencer, Mr Clements, Miss Nguyen and Ms Kerr for their presentation on their experiences of the Kokoda trip during the July school holidays this year. P&C Meetings are held twice per term on a Tuesday evening and all are welcome!

HSC Dance Performance Night

The CAPA faculty held its HSC Dance Performance Night on Wednesday, highlighting yet another aspect of the tremendous skills and talents of our students. This is also a valuable opportunity for our senior students, who will shortly be sitting their HSC examinations, to prepare and perform their practical compositions. The audience was entertained by a variety of dance styles and video compositions. The diversity and intricacy of performances are a credit to the Year 12 Dance students and their teacher, Ms Holt. Congratulations to all involved for your efforts!

Kokoda Expedition 2018

Walking Kokoda was probably one of the best things I have ever done in my life. It opened my eyes to so many things and it was truly an amazing experience. Even though I was disconnected from the world for nearly all of the trip, I didn't miss my phone or laptop at all. The group really bonded, with lots of fun and laughter as we walked the track. For me personally, the whole trip was made better by being able to walk it with my Dad.

The whole group was able to finish the track together, walking under the arches into Kokoda at the same time. Over the eight previous days of walking we had struggled together, triumphed together and finished together.

Altogether I am grateful for the opportunity to walk Kokoda with the school and I am truly grateful for being able to experience the history of the Kokoda Track and walk in the footsteps of the Australian soldiers who fought in the Kokoda campaign. The Kokoda trip was one of the best things I have ever done in my life. It wouldn't have been possible without Miss Kerr, Mr Caccamo and Mr Clements organising the trip, but also walking it with us and I really appreciate the work they did behind the scenes to get this trip to go to plan.

This speech was written to try and give you all a visual picture into your heads of a young male going to war in Kokoda. The speech is going to be told as if a young soldier was writing his experiences into a journal before Kokoda and at Kokoda. This is the speech I read at the dawn service.

"Two weeks ago today I turned sixteen, but the army doesn't know that. They think I turned eighteen, two months ago. Me being six foot two and a medium build I reckon I look older than I really am. Being accepted into the Australian Army wasn't hard at all. I just faked my parents' letter of consent and I was accepted that day into the 53rd Militia Battalion of NSW. I was told straight away I would be going to fight in the Kokoda Campaign in Papua New Guinea. Our enemy was the Japanese who had been making their way down Asia and were trying to eventually invade the homeland, Australia.

It has been four weeks since I last wrote into my journal. Since then we have left for Papua New Guinea and arrive in two days' time. Honestly I don't know what to expect. From what I have been told Papua New Guinea is a country full of rainforest and sun, but I am scared, I've never left Australia or my town. Hopefully though we can get rid of these Japs and be back home in a month or two and I can see me family again.

It has been a week since I last wrote and this may be my final writing. The track is miserable. It has been raining every day since we arrived and the ground has become mud everywhere. My pack is waterlogged and my clothes always drenched. It is almost unbearable the weight I have to carry up the massive mountains and ridges. I have yet to see battle, but have been told that will change in the next few days. I am scared, I am away from home and in a country foreign to me where the conditions are horrible. When I signed up I thought I was doing the honourable thing, but now I am reconsidering my choice.

Today I saw combat. Men around me died and Japanese in front of me as well. Men who I had started to gain a relationship with. Men who were just doing the honourable thing fighting for their country. I was scared the whole battle. Enemy we couldn't see because they blended in to the bushes. Bullets rained on us from everywhere. My second thoughts doubted me. I am scared of shooting my weapon and taking another man's life and I am scared for my own life. I am always scared for my life not knowing when the Japs will attack us. I am really reconsidering my choices, maybe this wasn't for me. Maybe I am not ready to take another man's life. My choices are limited. I either stay and fight for my country and probably die fighting or I can shoot myself in the foot and get an honourable discharge and go home to Sydney where it is safe and I can be with my family and I can forget this all happened. My choices will decide whether I live or not, I am scared for my own life."

Arts Alive Drama Festival

Our Year 9 Drama Ensemble and Year 10 Drama Ensemble performers appeared on stage this week at the Arts Alive Drama Festival held at the Concourse, Chatswood.

Our Year 10 Drama Ensemble members presented a work entitled *Perplexed*, which looked at the moral issues which arise for the International community when a single nation's aspirations for military expansion leads that nation to take possession of strategic islands which are disputed territories of neighbouring countries.

Our Year 9 Drama Ensemble members presented a work entitled *Macbeth*. This was a highly visual piece depicting the events which led to the rise and fall of Macbeth's fortunes after his pride and ambition was pricked by the prophecies of the witches.

Our students offer the following insight into this incredible experience:

'Last week's trip to Performing Arts theatre at the Concourse at Chatswood was amazing. The experience of doing a technical rehearsal prior to our performance this week really got us orientated for our Wednesday night show! This certainly was a worthwhile experience, owing to the fact that we all got to feel what it is like to perform in a professional theatre. We also got to get ready in the huge dressing rooms backstage. The entire festival was awesome.'

Kaylee Li, Year 9

'The Arts Alive Drama Festival is a really brilliant opportunity for students, not just from our school, but from many schools to come together and be a part of something we love. I thoroughly enjoyed this festival as it has given me great insight into all theatre has to offer and to my overall experience as an actor.'

Stephanie Neil, Year 10

Congratulations to all of the performers who took part in this wonderful event, and to all the families for their dedicated efforts with transport to and from the venue. Additionally, your presence in the audience was very much appreciated.

Ms Cannon

Year 9 Drama Ensemble

On Wednesday 1 August I had the pleasure of attending the Arts Alive Festival of Drama at The Concourse in Chatswood. Watching our Year 9 Drama Ensemble show their creative prowess on stage in their drama item *Macbeth and the Witches* was quite a treat.

Their performance showcased a dark and unusual twist on Shakespeare's original witches scene from *Macbeth*. Well done to our Year 9 Ensemble for a thoroughly enjoyable performance. The students from CTHS were the first act for the night leading us into a very entertaining evening of drama.

Parking and traffic rules in school zones

You need to take extra care when driving and parking in school zones. Make sure that you and your child understand the road rules. If you break the traffic rules in a school zone you are putting not only your child but other children at risk. The parking and traffic rules around our schools are there to protect your children. If you break the rules you will be fined. **Please choose safety over convenience.**

QUICK REFERENCE GUIDE TO IMPORTANT SAFETY TRAFFIC RULES

ZONE	WHAT DOES IT MEAN?	WHY IS IT THERE?	PENALTY	DEMERIT POINTS*
	You cannot stop in a NO STOPPING zone for any reason (including queuing or waiting for a space). 	Keeps clear sight lines between drivers and children / pedestrians.	EXCEEDS \$330 	(School Zone) 2 
	You can stop in a NO PARKING zone for a max. of two minutes to drop off and pick up passengers. If no spaces are available you cannot queue on the road way or in any other zones while waiting for a space. You will need to drive away and park elsewhere, only returning when there is space to pull up. You must stay within 3 metres of your vehicle at all times and cannot leave your vehicle unattended.	Provides a safe place for children / pedestrian set down and pick up.	EXCEEDS \$183 	(School Zone) 2 
	You must not stop or park in a BUS ZONE for any reason (including queuing or waiting for a space) unless you are driving a bus. If times are shown on the sign, you are not allowed to stop during those times.	Provides a safe place for large buses to set down and pick up school children.	EXCEEDS \$330 	(School Zone) 2 
	You must not stop on or within 20 metres before a PEDESTRIAN CROSSING or 10 metres after a crossing unless there is a control sign permitting parking.	So drivers can clearly see pedestrians on the crossing.	EXCEEDS \$439 	(School Zone) 2 
	DOUBLE PARKING You must not stop on the road adjacent to another vehicle at any time even to drop off or pick up passengers.	Double parking blocks visibility and forces other cars to go around you.	EXCEEDS \$330 	(School Zone) 2 
	You must not stop on any FOOTPATH or NATURE STRIP , or even a DRIVEWAY crossing a footpath or nature strip for any reason.	You could easily run over a child or force pedestrians onto the road to get around you.	EXCEEDS \$330 	(School Zone) 2 

Please note: The above information is current as of 1 February 2018. Penalties set by NSW State Government and reviewed on 1 July each year.

Demerit Points:

* The **Demerit Points** Scheme is a national program that allocates penalty points (demerits) for a range of driving offences. A driver who has not committed any offences has 'zero' points. If you commit an offence that carries demerit points, the points are added to your driving record. If you incur the threshold number of demerit points within a three-year period, a licence suspension or refusal is applied. The three-year period is calculated between the dates the offences were committed. It ends on the day your most recent offence was committed.

For further information regarding demerit points please visit: rms.nsw.gov.au/roads/safety-rules/demerits/

Correct Procedure When Approaching a Pedestrian Crossing

As you approach a pedestrian crossing or children's crossing where a School Crossing Supervisor is displaying a 'STOP Children Crossing' sign, you must slow down and stop. You may proceed when the School Crossing Supervisor no longer displays the sign in your direction or has indicated it is safe for you to proceed.

Stop signs may be placed at an intersection immediately after a pedestrian crossing. You must stop at the stop sign even if you have already stopped at the pedestrian crossing.

Please Note: If the road beyond a children's crossing or pedestrian crossing is blocked, you **MUST NOT** drive onto the crossing.
