DEPUTY PRINCIPAL'S REPORT

Year 8 Life Saving

Year 8 Lifesaving started last week and finished on Friday on what was a cracking week of fine spring weather! A total of 314 Year 8 students, seventeen teachers and 54 Year 9 and 10 student instructors, headed off to three pools over the three-day program, which aimed to complete an extremely important part of the PDHPE syllabus. There were six courses, each suited to ability levels, which were challenging and enjoyable. All courses included a first aid theory component, as well as resuscitation training and assessment. A big thanks to Mr Pedley-Smith, Mrs Flowers and Ms Eathome for organising the event and also to the Year 9 and 10 instructors (who Ms Flowers described as the most outstanding instructors ever!) for volunteering their time to help.

Year 11 into 12 Information Night

On Tuesday evening, Year 11 students and their families attended the Year 11 into 12 Information Night. Preliminary HSC reports were handed out to those in attendance. Reports for students who were absent on the evening, have been posted home.

The Principal, Deputies and Mr Lamont addressed the audience on a variety of important topics, including assessment procedures, signing-on, study leave passes and what to expect in Year 12 in general.

Swimming Carnival

On Wednesday this week we held our annual School Swimming Carnival. This year the carnival was held at an outdoor venue, Waves at Baulkham Hills. The beautiful sunny weather ensured a good attendance with many students keen to get into the water to cool off. Year 11/12 students got into the spirit of the day with many dressed in appropriate costumes to fit the *God and Goddess* theme. With the final result of the Carnival not known until the Year 7 Swimming Carnival early next year, it was pleasing to see some students participating. Thank you to the PE staff, particularly Ms Llamas and Mr O'Connor, for organising the event and to the huge number of student volunteers whose assistance is essential for the smooth running of the day.

What was obvious on the day was the amount of students who chose not to swim at all. Given Sydney's warm climate and proximity to beaches it perplexes me this was the case. I am not sure if it is apathy or a lack of swimming ability driving this decision. Regardless, as a keen swimmer and visitor of the beach myself, it is a sad reflection on our society if this trend continues. We will certainly encourage more student participation in any of our major Carnivals in the future.

HSC Continues ...

Week 3 of the HSC continued this week, with major exams in terms of candidature including Modern History, PDHPE, Physics and Business Studies being examined. Students seemed much more relaxed this week, having now completed at least two examinations and we continue to encourage each and every student to simply try their best in all remaining examinations.

Official Opening of the Building Program

We have received confirmation the Minister for Education in NSW, the Hon. Mr Rob Stokes, will be visiting our school on Tuesday 13 November, for an official Ministerial Opening of the new building at 12.00 noon.

The official CTHS Opening Ceremony will occur later at 4.00pm, which will be followed by a tour of the building itself. A reminder, the P&C will be hosting a fundraising event that evening at Bivianos' Restaurant commencing at 6.30pm to celebrate the opening of the new building.

Tickets are still available and can be purchased via the following link <https://www.trybooking.com/411475>

Remembrance Day

Remembrance Day has a special significance in 2018. Sunday 11 November 2018 marks the 100th Anniversary of the Armistice, which ended the First World War (1914-1918). One hundred years ago, on 11 November 1918, the guns of the Western Front fell silent after four years of continuous warfare. With their armies retreating and close to collapse, German leaders signed an Armistice, bringing to an end the First World War. In the four years of the war, more than 330,000 Australians served overseas and more than 60,000 of them died.

Each year on this day, Australians observe one minute's silence at 11.00am, in memory of those who died or suffered in all wars and armed conflicts. At CTHS, our Remembrance Day Commemoration will take place next Friday, 9 November, with a whole school assembly. Mr Hartman and his team have been working on a ceremony befitting the occasion.

GPs in Schools

On Tuesday 29 October, Year 11 attended the *GPs in Schools Workshop* organised by the Sydney North Primary Health Network, which is funded and guided by the Australian Department of Health. The students met in small groups with registered General Practitioners and Nurses to build confidence and health literacy in areas such as access to free healthcare, specific youth health issues, confidentiality, Medicare, bulk billing and healthcare rights. Students were able to discuss access to the Australian healthcare system, physical and mental health and alcohol and other drug awareness.

The feedback from students and the GPs was extremely positive. This was a great experience for our senior students and we hope that it empowers them to seek medical advice when needed.

Year 11 Drama Retrospective 2018

Thank you to the family, friends, staff members and our illustrious Principal, Mr Gary Johnson, who were in attendance at the Year 11 Drama Retrospective on Wednesday night. This wonderfully receptive audience was palpably present and thoroughly generous in their appreciation and applause. Our actors were able to further build upon their performance skills as the result of stepping up to this exciting and challenging opportunity to present their work.

Year 7 Literary Festival

Unfortunately not all Year 7 students have completed their permission/payment slips for this day of celebration of literature in its many forms. Year 7 students are expected to attend this incursion so please ensure the forms are returned. Additional notes are available in the library.

"This earth that we live on is full of stories in the same way that, for a fish, the ocean is full of ocean. Some people say when we are born we're born into stories. I say we're also born from stories." Ben Okri.

This all-day celebration immerses students in the magical world of literature. The variety of workshops will allow students to experience the many facets of books, reading and the act of creating wonder in word and image.

Amongst the fourteen presenters will be:

James O'Loughlin - Author, media personality, radio presenter, speaker and entertainer.

Matthew Lin - Artist, illustrator and designer.

Sarah Saleh - Poet, human rights and refugee advocate, creative artist and regular media commentator.

Audiobooks

Following the audiobook trial, we now have a subscription to the end of 2019. Locate resources in Oliver and log in with your normal user id and password, download an app or go to <https://library.cths.nsw.edu.au/read/ebooks-and-audiobooks/>. You will be able to listen to literature while reading along, perhaps entice a reluctant reader to try listening to a book, engage in your daily rituals while enjoying a book or simply listen while darkness descends.

How Excellent was Culinary Tales?

An incidental passing by of a group of students in the playground at recess on 30 October 2018 told Mrs Childs the Culinary Tales visit they had just attended was by far one of the best lessons they had ever had! They were raving about the guest, Chef Saïda, the awesome food and the dishes, which were shared post cooking. Other comments were about the garnishes which Chef Saïda prepared for the hommos as well as the rice recipes.

All round it was a fantastic day and students across the three classes thoroughly enjoyed the experience and hearing about Chef Saïda's journey from Lebanon to Australia.

Careers Update

Meet-a-Keeper at Taronga Zoo

The Meet-a-Keeper experience at Taronga Zoo was really amazing. Fifteen students attended a very informative lecture and then Behind-the-Scenes tour. We learnt about how persistent and hardworking you have to be to become a Zookeeper as well as many other important jobs around the Zoo. We were lucky enough to go behind the scenes of the bird show and meet one of the senior handlers, who told us how they train and look after the birds. Watching the trainer showed us how much time and effort is needed to maintain the birds. This trip gave us an insight to what working with animals is like and we all had so much fun!
