

Term 2

Week 10B

5 July 2019

## PRINCIPAL'S REPORT

### **Link with Papua New Guinea formalised**

Following an invitation from the Federal Government the school recently applied to become one of three NSW schools to pilot an innovative program linking Australian schools to schools in Papua New Guinea (PNG). Pleasingly, the school has been advised, our application has been successful.

The upshot of this means we are to begin a relationship with PNG schools which will involve some teacher and student exchange with the ultimate goal to up-skill teachers in PNG and to provide greater educational opportunities for PNG students. The Australian Federal Government is fully funding the scheme.

For the students and staff of Cherrybrook we will have an opportunity to expand our knowledge of our near neighbours and be proactive in establishing quality relations with a range of educators and students from the linked schools.

The first stage of the process gets underway in early August when we will have a school visit from twelve PNG Principals and three education department bureaucrats. These visitors will then proceed to Canberra for an official reception.

I will keep you informed as this exciting initiative develops.

### **CTHS Ball**

On Saturday the MPC came alive with dance and music as the annual CTHS Ball took place. Over one hundred members of our school community dressed formally, looked fabulous, enjoyed a three-course meal and took advantage of the wonderful music provided by our superb Big Band led by Mr Felton.

My congratulations are extended to the Big Band, Mr Felton, Mr Fisher and the wonderful organising committee on such a successful evening.

### **Social justice Trivia Night and Farewell to Ms Corbett**

Friday night the Student Leaders and Social Justice Team held the school's annual Trivia Night, with all funds raised going to support our sister school in Cambodia. Ms Corbett and Ms Campbell did a brilliant job of providing a range of wacky questions, which really tested the knowledge-base of students, staff and parents.

The end result was a fun-filled evening which raised a substantial sum of money for the students in Cambodia.

The only down side of the night was that it was Ms Corbett's final day at the school prior to her departure to study overseas for a period of eighteen months. Ms Corbett, apart from doing an outstanding job teaching her classes, has been absolutely instrumental in progressing the school's Social Justice initiatives over the past few years. Her absence will be keenly felt across the school.

### **NAIDOC Assembly**

Next week is NAIDOC (National Aborigines and Islanders Day Observance Committee) and in order to recognise this week and celebrate our nation's Indigenous heritage the school held a number of special assemblies.

The theme of NAIDOC week is *voice* and this was the central theme of the assemblies. The Indigenous voice of this country is over 65,000 plus years old. Aboriginal languages were the first words spoken on this continent. These languages have passed down lore, culture and knowledge for over millennia. They are precious to our nation.

The assemblies featured student voice with our Indigenous students sharing their views of growing up as a young Aboriginal person in modern day Australia and being part of our Cherrybrook community. The assemblies also featured dance, music and a guest Aboriginal artist who performed playing the didgeridoo and singing traditional songs.

My congratulations are extended to Mrs Navarro, her Year 10 Aboriginal Studies students and our Indigenous students on the magnificent job of organising and leading such an important assembly.

---

### **Achieving Together**

Principal: Mr G Johnson  
Deputy Principals: Mr M Townsend, Mr B Clements, Mrs A Gatt

Address: 28-44 Purchase Road, Cherrybrook NSW 2126

NAIDOC Assembly

### Italian Ancient History Study Tour

On Saturday sixteen keen and excited students will depart Sydney for a two-week study tour, which will focus on visiting the highlights of classical Rome and also visiting Pompeii and Herculaneum. This is a unique opportunity for students to really delve into the historical sites they have been studying for the past few years.

My thanks are extended to Ms Adamou and her team for all their hard work preparing for the excursion and of course leading it over the next few weeks. I am sure there are many envious Ancient History students who would love to be accompanying our lucky students.

### Snow Trip

The forthcoming holidays will also see fifty students and accompanying staff venture to the Victorian snowfields for a week of skiing and snowboarding. For many students this is the highlight of their year and they, along with staff, hope snow falls heavily on the snowfields to allow them to really enjoy their time away.

My thanks are extended to Mr Fisher and his team for all their organisation of the trip and providing a wonderful opportunity for our students.

### Year 10 into 11 Subject Selection Evening

It was terrific to see so many parents and students at Tuesday night's Subject Selection Evening. The event provided an opportunity for parents and students to learn more about the complexities of the senior school curriculum and to meet with subject specialist teachers who were able to provide quality advice about the individual subjects and courses on offer. My thanks are extended to Ms Adamou and her team for the organisation of the night and to the many staff who gave up their evening to assist parents and students with the difficult task of making appropriate choices.

Once again, I take the opportunity to reinforce the message I gave to parents on the night. That is for students to choose subjects and courses they are capable of doing and are able to fully engage in. Too often over the past few years the school has had to deal with distraught parents and students who have made very poor subject choices under the misapprehension that by doing certain subjects students would maximize their ATAR. Choosing courses on this basis rarely ends in anything but tears.

### School Leaders' Induction Ceremony

A reminder to parents and students of our new and outgoing Student Leaders, a celebration ceremony is scheduled for Friday 2 August. At this ceremony the achievements of the 2018/2019 team will be celebrated and the Leaders for 2019/2020 inducted into their roles.

### Year 12 AP4 (Trial HSC)

The Year 12 Trial HSC will commence on Monday 5 August. Students should be studying hard for these tests, which will provide them with an opportunity to experience tests similar to the major public exams they will face in Term 4.

### Uniform

It was pleasing to see the vast majority of students correctly attired in full school uniform this week. Despite the cold weather it is vital students wear their full uniform. In particular, students should have the correct footwear and pullover.

Parents and students are reminded, **hooded jackets and jumpers** are **NOT** part of the uniform and students who choose to wear these will be disciplined in accordance with the school's Fair Discipline Code.

### End of Term

A reminder to parents, the school term concludes this Friday 5 July. Staff return on Monday 22 July for a professional learning day whilst all students return on Tuesday 23 July for the beginning of Term 3.

### Secretary for a Day

Year 9 student David Felton was selected from more than 120 applications for the 2019 Secretary for a Day. This valuable two-day program brings students from across the State to the Department's offices in Parramatta in the first week of August, as part of Education Week activities.

This year's participants will work with Department of Education staff to achieve positive change for schools and student learning and have the opportunity to influence system development. As part of the program David will also take part in creative and cultural advocacy and leadership workshops with industry and education experts.

Education Week is a State-wide, annual event which aims to showcase and celebrate the achievements of the NSW public school system, its students and staff.

Mr Johnson

### Year 12 French Speaking Skills Day

On Saturday 22 June, six of the current HSC French Continuers and French Extension students attended a workshop at Castle Hill High School to practice our speaking skills for the HSC oral examination.

There were four other venues across the State with a total of 227 continuers, 66 beginners and 80 extension students. With our HSC examinations just around the corner, this was a very good experience and took some weight off our shoulders.

Though we went in feeling nervous for the impromptu monologues in Extension French, we came out reassured. We found it very beneficial to be able to practice our skills in an environment where everyone was only speaking French. It was certainly a day which made us feel more confident in our abilities and ready to take on the HSC.

*Restez calme et parlez français!*

### GATs Journalism Incursion

On Thursday 27 June, 7T and 8T had the unique opportunity to be spoken to by Dr Asha Chand, a University of Western Sydney lecturer, to hear about journalism as a future career option in a modern world.

We learnt about Dr Chand's immigration from Fiji to Australia and how journalism was a significant outlet and passion for her. We then discussed the importance of journalism in a world full of stories and people's personal journeys. We even got the opportunity to make our own notes and write a short report based off of them. This wonderful opportunity to discuss journalism with someone who knew so much about it has sparked my own interest in journalism. It enlightened all members of the gifted and talented program to the idea of pursuing journalism as a professional career.

Thank you, Dr Chand, for talking to us!

Leah-Cherie Holt, Year 8

#### FIRST AID

Please note Cherrybrook Technology High School does not have any medical practitioners on the premises. We provide first aid assistance to students who are unwell or injured. **Please be advised the school does not supply any medication, including pain killers, medicated creams, eye drops etc**

#### PROCEDURE FOR EARLY LEAVERS

If a student needs to leave school early, they **must** provide a note from their parent/guardian giving reasons for their partial absence. **The student must hand the note in at the student window before 8.30am** where they will be issued with a leave pass. They can then present this pass to their teacher and leave school at the appropriate time.

On Thursdays (sport days) all students in Years 9-11 **MUST** have their early leave notes signed by a member of the PE staff before presenting to the office.

The school has received numerous reports regarding influenza. If your child shows signs of influenza it is recommended you see your doctor and keep your child at home until they look and feel better (five days from onset has been recommended)

Communicable Diseases Factsheet

*Influenza (flu) is a contagious respiratory illness caused by influenza viruses. Most people recover after a few days but for some people it can be fatal. An influenza vaccination each year provides the best protection against influenza.*

# Influenza

Last updated: 06 September 2016

## What is influenza?

Influenza, or flu, is a highly contagious respiratory illness caused by influenza viruses. There are three main types of influenza virus that cause infection in humans, types A, B and C, as well as many sub-types or strains. Influenza can occur throughout the year, but influenza activity usually peaks in winter.

## What are the symptoms?

People with influenza typically experience some or all of the following symptoms for at least a week:

- Fever and chills
- Cough, sore throat and runny or stuffy nose
- Muscle aches, joint pains, headaches and fatigue (feeling very tired)
- Nausea, vomiting and diarrhoea (more common in children than adults).

Some symptoms may last for more than a week. Some people may also experience very mild symptoms, particularly if they have some immunity from a previous infection or vaccination.

## How is it spread?

- Influenza viruses are mainly spread by droplets made when an infected person coughs or sneezes
- Influenza can also spread after touching surfaces where infected droplets have landed
- Influenza can be spread to someone by an infected person even before their symptoms begin
- Adults with influenza are infectious from the day before their symptoms start until five-seven days later
- Young children and people with weakened immune systems may be infectious for longer.

## Take action to stop the spread of influenza by remembering to:

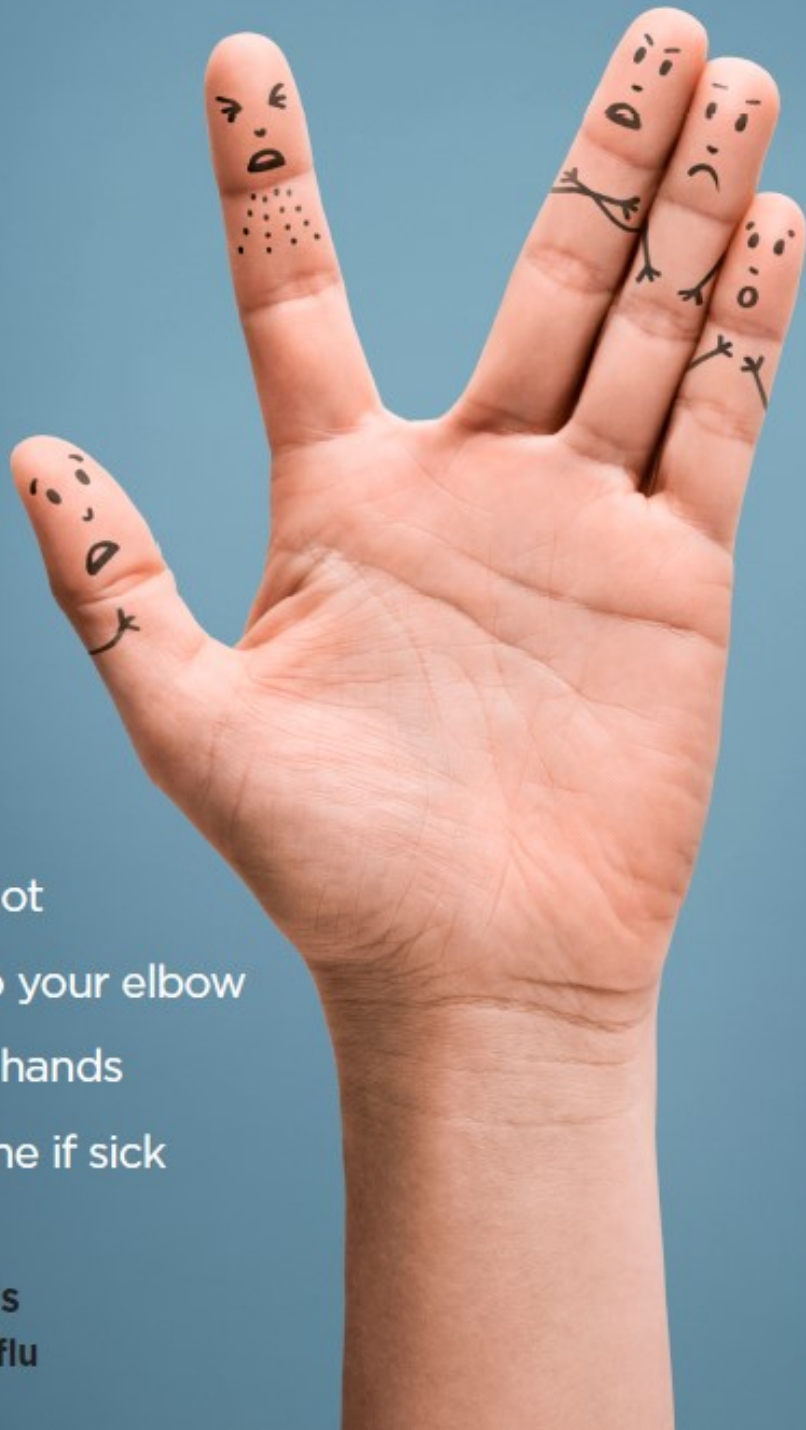

- Cover your face when you cough or sneeze and throw used tissues in a rubbish bin
- Wash your hands thoroughly and often; wash hands for at least ten seconds, especially after coughing, sneezing or blowing your nose, or use an alcohol-based hand rub
- Stay at home until you're well. Wait at least 24 hours after your fever resolves so you that you aren't likely to infect other people. Keep sick children away from school and other activities
- Call ahead to see a doctor. If you think you may have influenza and you need to see a doctor, remember to call first so the clinic can take precautions to reduce the risk to other people.

For further information please call your local Public Health Unit on 1300 066 055 or visit the New South Wales Health website [www.health.nsw.gov.au](http://www.health.nsw.gov.au)

**Notification of Measles, Chickenpox,  
Whooping Cough or Influenza**

Dear Parents / Carers

We write to inform you a student in our school is currently receiving treatment, which results in a lowered immune system. This means the student is more prone to getting ill from infections. As the student is not contagious, but has a chronic illness, it is important he/she participates actively in the day-to-day school program without any major limitations. A major concern is if this student develops Measles, Chickenpox, Whooping Cough or Influenza, he/she could become seriously ill. We seek your cooperation in preventing this situation.

If your child has or may have Measles, Chickenpox, Whooping Cough or Influenza, we ask you to please:

1. **Not** send them to school
2. Notify the Stage Head Teacher as soon as possible
3. Take them to your GP or Medical Centre to confirm diagnosis.

Thank you in anticipation.

Yours faithfully

A handwritten signature in black ink, appearing to read 'Gary Johnson', written over a horizontal line.

# Sports Report

## New Sports Executive

It's that time of year again when we have a new Sports Executive Team selected. This year we had a large amount of students try out which was great to see. Unfortunately, this also meant we could only pick a few people for the new Executive. Every student who tried out should be congratulated for their efforts.

The new Sports Executive Team for 2019/2020 are:

Sports Captains: Lara Woollett and Devan Senasinghe  
Vice Captains: Kelly Chapman, Tarryn Galt, Vyusthika Govender and Eshaan Kohli  
Charles House Captains: Ella Morris and Rahul Desai  
Taylor House Captains: Sophie Nelson and Andrew Malcolm  
Harrison House Captains: Kyla Walker and Alex Durheim  
Strickland House Captains: Alexis Masterton and Jared Clements

We look forward to seeing you work in the school throughout the coming year!

## Volleyball

Congratulations to the Under 16 Boys' Volleyball Team who won the Bronze medal at the NSW Metro Volleyball Tournament recently. This is an amazing achievement and all students should be proud! A big thank you goes to their coach, Olley and to Mr Ibarra. This team has been playing and training together for a number of years now and it is great to see these results come from all of their hard work.

## Area Cross Country

Congratulations to all students who represented the school at the Area Cross Country Carnival. On the day we had some students perform extremely well with three students qualifying for the CHS Competition which will take place on the first Friday of next term.

Students who qualified include Olivia De Vita, Lachlan Dewar and Ella Morris. Congratulations and good luck!

## Our Year as Exec

Over the last year we have loved the opportunity to work in the schools sport, bringing in new initiatives and keeping up old traditions. This past year has been a great experience for all of us and we have learnt so much. The next few things are just some of our favourite memories from the year.

One of the initiatives we implemented as an exec was the Stage 4 house sport. This was a great chance for all Stage 4 students to have their own separate time for sport just as the older students have through grade sport. It was also a great opportunity for students to build some house spirit. From this, we also implemented the Stage 4 vs Year 12 sport, where fourteen Stage 4 students would take on seven Year 12 students. This event was a great time for all Stage 4 students, as well as the Year 12's who took part. A highlight of the event was having a large number of Stage 4 students surrounding the courts and supporting their peers. We are excited to see how the new exec will be able to continue to grow these initiatives.

A large contribution which we made to the school was through the development of refreshed house flags. This process was fun and allowed us to research into the origins of each house and identify the key features which should be used to represent each house. These features are clearly displayed on the new flags and are a great new introduction for the school to use for many years to come.

One of the special opportunities we took part in was when former student Jenny Blundell came back to present our school with an Olympic flag. This flag was given to our school because of our participation in the Youth Olympic Games and the Olympic Games through two past students. Jenny provided all students with a positive message and many words of wisdom. We hope to see more students excel in their sport as they progress in their passion. The flag was also signed by Jenny and is currently in the process of being framed and will then be on display around the school, so keep your eyes out for it.

Those were just a few of our favourite memories from what we have done around the school, but there are so many more things we could have talked about. The Sports Awards Presentation Ceremony at the end of last year, the CTHS Sports Carnivals with Year 12 joining in on the themes and Year 7 having a great time at their first CTHS Carnival. We hope we have been able to set a good example for students, namely always giving everything a go no matter whether it's something you are good at or are just participating in to have some fun. We have all had a great time serving the school.

Thank you for this past year!

The 2018/2019 Sports Executive Team

# Careers Update

## Year 10 Students Subject Selection Advice from UAC - Top Four Tips

In Year 10 you will select the courses you will study for the next two years. This is an exciting time with many choices available. The following guidelines will help you make the best possible decisions.

<https://www.uac.edu.au/future-applicants/year-10-students>

## Sydney Morning Herald Study Guide for the HSC

A treasure trove of great articles on all matters for the HSC, including exams, tackling stress, results, PDHPE, Science, Languages, Technology, Music, History and much more.

<https://hsc-study-guide-2019.smh.com.au/>

## Steps to take in Applying through UAC including How to Defer an Offer

Once you have applied, you can change the order of your preferences or even the courses you have selected, as often as you like before the closing dates for each offer round (some courses have early application closing dates so check for these as well.) Simply log in to your application or the My UAC mobile app using your UAC application number and UAC PIN. You cannot change your preferences by phone, letter or email!

<https://www.uac.edu.au/current-applicants/undergraduate-applications-and-offers/>

## The Western Sydney Careers Expo

Last week, Year 10 and 12 students attended the Careers Expo at Sydney Olympic Park. They had the opportunity to collect resources and speak to over 140 representatives from local and interstate universities, colleges, TAFEs and various industries. Many students took advantage of seminars on study skills, subject selection tips and the UAC process. The event coordinator provided positive feedback from exhibitors regarding the level of insightful career development questions posed by Cherrybrook Technology High School students.

Mrs Bower and Mrs Ferguson

## School Travel Advice

For trip planning visit [www.transportnsw.info](http://www.transportnsw.info) or call 131 500.

For current Hillsbus school and route services visit [www.cdcbus.com.au](http://www.cdcbus.com.au) or call 02 8889 7000.

Conditions of Carriage: Students must have a valid Opal card, term pass or pay a cash fare. Students must tap on and off every trip. Further details about the SSTS are available at: [www.transportnsw.info](http://www.transportnsw.info)
